 UNDER THE FEDERAL INSECTICIDE
 FUNGICIDE AND RODENTICIDE ACT
 FOR E.P.O. NO. 5174-3
 REGISTERED UNDER NO.

DIRECTIONS

For Toilet Bowls—pour one to two ounces of BC into the bowl. The exact amount will vary depending upon the condition of the bowl. Spread the solution over the entire area with a mop or brush being certain to cover the area under the flush ring well. Allow the solution to stand on the surface a few minutes then brush or mop the entire bowl area with the BC solution, then flush. Rust, lime, scale and other accumulations are flushed down the drain.

For Urinals—Pour full strength on bowl swab and follow above directions. After cleaning, flush with clear water.

Bowl traps and pipes—Pour approximately 1 cup De Vere Bowl Cleaner in the drain pipe and let stand for a few hours. Then flush down with water. Lime scale and other incrustations in the trap will be removed.

WARNING:

Corrosive. May be fatal if swallowed. Do not get in eyes, on skin or clothing. May produce chemical burns. Do not breathe vapor or fumes.

Antidotes: Internal—Drink a teaspoonful or more of magnesia, chalk, whiting, wall plaster or small pieces of soap softened in water, milk, mucilage or raw egg white. Call physician.

External—Immediately flood the surface with water, using soap freely, then cover with moist magnesia or baking soda.

Eyes—Wash with water for 15 minutes. Get medical attention.

DE VERE BC BOWL CLEANER

Liquid BC cleans, bleaches, sanitizes and deodorizes. Lime, rust, stains and other unsightly accumulations are quickly penetrated and easily removed from toilet bowls, urinals, traps and pipes.

De Vere Bowl Cleaner aids in controlling and eliminating unpleasant odors by removing incrustations which harbor bacteria.

BC will not damage finest vitreous surfaces when used as directed. It should not be used on common enameled surfaces. A special inhibitor protects base metals aiding in preventing plumbing maintenance costs.

Bowl Cleaner is easy to use and restores gleaming cleanliness to stools and urinals without the use of harsh abrasives or scouring powders.

Rinse empty container with water before discarding.

Net Contents—1 Gal.
