U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (H7505C)
401 M St., S.W.
Washington, D.C. 20460

EPA Reg. Number:
5178-10

Date of Issuance:
AUG 9 1999

**NOTICE OF PESTICIDE
Registration**

Term of Issuance:
Conditional Registration

Name of Pesticide Product:
Kilmos PF Mosquito Repellent Sticks

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

**Paul Keane
Keane International Marketing, Inc.
47 West Division St. #389
Chicago, IL 60610**

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the following label changes:
 - a. Revise the EPA Registration Number to read, EPA Reg. No. 5178-10.
3. You must modify your Confidential Statement of Formula and/or label to correspond to the nominal concentration of the product in accordance with 40 CFR 156.10 (g)(5), 40 CFR 158.175, and PR Notice 91-2. This can be achieved by lowering your lower certified limit(s) or modifying your ingredient percentage by weight. Accordingly; The certified limits are intended to encompass the ingredient percentage declarations.
4. In accordance with the Allethrin Registration Standard, published in 1988, you must modify your ingredient declaration on the label to read as follows: "D-cis/trans allethrin", or use the "commonly accepted" name suggested in PR Notice 97-5.
3. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA Sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

Marion Johnson
Product Manager 10

with COMMENTS
In EPA Letter Dated:

AUG 9 1999

Under the Federal Insecticide,
Fungicide, and Rodenticide Act,
as amended, for the pesticide
registered under EPA Reg. No.

5178-10

KILMOS PF MOSQUITO STICKS

DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Remove a Stick from the box and ignite the tip until it flames. Invert the Stick to insure the entire end is well started. When this occurs, blow out the flame. It will continue to burn without a flame but will create smoke which will repel mosquitoes. Insert the bottom end of the Stick into the ground so that the Stick stands upright.

Place Sticks about every 10 to 12 feet apart around the area to be protected. Sticks will be most effective when there is little or no breeze. Dependent on air movement, Sticks will last 3 - 4 hours.

To extinguish, gently knock off glowing end and put the tip out by inserting in dirt or sand.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: For outdoor use only. Do not use indoors or in restaurants or in unventilated places. Cover exposed food to avoid contamination. Do not place in direct contact with flammable objects, materials or surfaces. Avoid prolonged inhalation. Do not touch glowing end.

STORAGE AND DISPOSAL

Wrap used Stick and place in trash can.

NOTE: If a crack appears in the body of the stick it is simply drying. This is normal and in no way impedes its effectiveness.
