Net Weight 11½ Oz. E.P.A. Reg. No. 5105-196

BIO-SEC ANT & ROACH KILLER

READ ENTIRE LABEL. USE STRICTLY IN ACCORDANCE WITH LABEL CAUTIONS, WARNINGS AND DIRECTIONS; AND WITH APPLICABLE FEDERAL AND STATE REGULATIONS.

TO OPERATE: Remove cap. Hold container in upright position to spray. Press nozzle directed at insects or area to be sprayed. For best results, spray infested surfaces until wet.

ANTS, RESISTANT ROACHES, FIRE ANTS, SCORPIONS, WATERBUGS, BLACK WIDOW SPIDERS, CRICKETS, SILVERFISH: Spray directly on insects where possible. Also spray their trails and wherever insects might congregate such as under sinks, drain-boards, in cabinets, cracks and crevices, on baseboards, around door sills, window frames, garage cans, garages and outhouses. For ants, also spray into their nests. Repeat as necessary.

FLIES, WASPS, JUNE BUGS, FLYING MOTHS, GNATS, CLOVER MITES: To reduce annoyance from these insects, spray outside surfaces of screens, doors, window frames and other places where these insects may enter. Also treat surfaces where these insects alight or congregate such as on porches, in garages and outhouses and around outside light fixtures. Also treat around outside house foundations.

FLEAS (Outside Dwellings): Apply as a residual spray around outside dwellings to flea-infested areas and around outside pet quarters and animal buildings. Repeat as necessary.

CARPET BEETLES: Apply as spot treatment to localized infested floor areas and baseboards. Spray directly into cracks under carpets and treat underside of carpets as well as infested areas of top surface. Also treat crevices, cracks or closets and infested areas of shelving. Repeat as necessary.

EARWIGS: Apply as a residual spray to wet infested areas around lamp, shady spots, also around rocks, boards and typical hiding places, contacting insects where possible. Repeat as necessary.

WARNING: Harmful if swallowed. Avoid breathing spray mist. May be absorbed through skin. Avoid contact with skin. In case of contact, wash immediately with soap and water. Avoid contamination of feed and foodstuffs. Do not contaminate food, utensils, dishes or drinking water. Do not use on household pets or humans. Remove fish bowls and bird cages from room during spraying. Do not spray on plastics, asphalt tile or furniture. Do not use or store near heat or open flame.

WARNING: FLAMMABLE: Contents under pressure. Do not puncture. Do not use or store near heat or open flame. Exposure to temperatures above 130° F. may cause bursting. Never throw container into fire or incinerator.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.
