BIOGUARD  
ALGAE ALL 60

**ACTIVE INGREDIENT:**

Poly (oxyethylene (diemthyliminio)

ethylene-(dimethyliminio) ethylene dichloride]

60.0%

**INERT INGREDIENT:**

40.0%

**TOTAL INGREDIENTS:**

100.0%

**KEEP OUT OF REACH OF CHILDREN****CAUTION****STATEMENTS OF PRACTICAL TREATMENT: IF CONTACT WITH EYES OCCURS:**

Immediately flush with cold water for at least 15 minutes. Then get immediate medical attention. IF CONTACT WITH SKIN: Wash off excess chemical with soap and water and flush skin with cold water for at least 15 minutes. If irritation persists, get medical attention. IF INHALED: Remove to fresh air. If breathing is difficult, have trained person administer oxygen. If not breathing, give artificial respiration. Call a physician immediately. IF SWALLOWED: Drink large amounts of water. Do not induce vomiting. Avoid alcohol. Never give anything by mouth to an unconscious person. Call a physician or poison control center immediately. IN CASE OF MEDICAL EMERGENCY, CALL 1-303-623-5716.

See back panel for additional precautionary statements.

**MANUFACTURED BY:**

BIOLAB, INC.

DECATUR, GEORGIA

EPA REG. # 5185-339

EPA EST. # 5185-GA-1

**NET CONTENTS:**

This product is used to control the growth of algae in swimming pools, exterior spas, whirlpools, and hot tubs. This product may be used in systems sanitized with chlorine or bromine.

**DIRECTIONS FOR USE:** It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Read entire label and use strictly in accordance with precautionary statements and directions.

Ensure all equipment is working properly. Backwash the filter system following manufacturer's directions. Adjust pH to between 7.2-7.6. In chlorine treated pools, add stabilizer to establish a minimum level of 40-50 ppm to reduce the degradative effects of sunlight upon the chlorine residual. Check for metals and if present add stain and scale inhibitor to prevent staining of pool surface due to metals. Adjust chlorine residual to 1-3 ppm. When using other products as outlined in directions for this product, always follow directions on those products.

#### **FOR POOLS**

Pools containing heavy growth of algae should be cleaned prior to using this product. For pools having light algae growth, pour directly into pool initial dose of 11-17 fluid ounces of this product per 10,000 gallons of water and remove settled algae debris by cleaning. For treatment of a freshly cleaned and filled pool, pour directly into pool initial dose of 6-11 fluid ounces of this product per 10,000 gallons of water. Additions of 2-4 fluid ounces of this product per 10,000 gallons of water should be made every 5-7 days after initial treatment for maintenance.

#### **FOR SPAS:**

Spas containing heavy growth of algae should be cleaned prior to using this product. Spas, whirlpools, or hot tubs having just visible algae growth require an initial dose of 1-2 fluid ounces of this product per 1,000 gallons of water. For treatment of a freshly cleaned and filled spa, whirlpool, or hot tub, add initially 0.6-1.1 fluid ounces of this product per 1,000 gallons of water. Subsequent additions of 0.2-0.4 fluid ounces of this product should be made every 5-7 days after initial treatment for maintenance.

**STORAGE AND DISPOSAL:** Keep this product dry in original tightly closed container when not in use. Store in a cool, dry, well ventilated area away from heat or open flame. Do not contaminate food or feed by storage or disposal. **CONTAINER DISPOSAL:** Do not reuse container, but place in trash collection. Rinse thoroughly before discarding in trash.

**ALTERNATE STORAGE AND DISPOSAL FOR SIZES GREATER THAN ONE GALLON**

**STORAGE AND DISPOSAL:** Do not contaminate water, food, or feed by storage or disposal. **STORAGE:** Keep this product dry in original tightly closed container when not in use. Store in a cool, dry, well ventilated area away from heat or open flame. **PESTICIDE DISPOSAL:** Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance. **CONTAINER DISPOSAL:** Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS** CAUTION: Avoid contact with skin, eyes, or clothing. May be harmful if swallowed. Wear goggles or safety glasses and rubber gloves when handling this product. Irritating to nose and throat. Avoid breathing vapors. Remove and wash contaminated clothing before reuse. For skin or eye contact, or if vapors are inhaled, immediately follow statements of practical treatment on front label panel.

**PHYSICAL OR CHEMICAL HAZARDS** Do not mix with other chemicals. Use clean dry utensils. Do not add this product to any dispensing device containing remnants of any other product. Such use may cause a violent reaction leading to fire or explosion. Contamination with other chemicals may start a chemical reaction and generate heat, hazardous gas, possible fire and explosion. In case of contamination or decomposition, do not reseal container. If possible, isolate container in open air or well ventilated area. Flood area with large volumes of water.

**ENVIRONMENTAL HAZARDS** This pesticide is toxic to fish and aquatic organisms. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System

(NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

NOTE: Buyer assumes all responsibility for safety and use not in accordance with directions.
