U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Antimicrobials Division (7510W)
401 "M" St., S.W.
Washington, D.C. 20460

EPA Reg. Number: 5185-471

Date of Issuance: JUL 22 1998

NOTICE OF PESTICIDE:
[X] Registration
Reregistration

Term of Issuance: Conditional

Name of Pesticide Product: VHI

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

BioLab, Inc.
P.O. Box 1489
Decatur, GA 30031

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Antimicrobials Division prior to the use of the label in commerce.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

- 1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Revise the EPA Registration Number to read, "EPA Reg. No. 5185-471".
3. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

[U.S. Patent No. 5,648,314]

[Bio-Lab, Inc. will not be held responsible for damage, injury, or poor performance caused by use of other products in this unit.]

{Section for box with dispenser and tablet}

[VHI is the only in-tank toilet bowl cleaner with a uniquely designed dispenser and ultra-concentrated tablet.] [VHI delivers stain repelling cleaners with every flush to keep your toilet bowl cleaner.] [Cleans up to 4 months.]

When the tablet has dissolved, simply place a VHI Refill Tablet in the dispenser.
IMPORTANT: USE ONLY VHI BRAND REFILLS IN THIS UNIT.

- This package contains 1 dispenser and 1 tablet
- Dispenser holds tablet - no messy residue or clogging in the tank
- [- WON'T HARM SEPTIC SYSTEMS]

[Easy-To-Use Dispenser]

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Before placing VHI in your tank, clean toilet bowl thoroughly, including under the rim. Remove toilet tank cover.

1. Cut open tablet pouch along dotted line. Do not remove tablet.
2. Use pouch to push the tablet through the flaps of the VHI dispenser.
DO NOT TOUCH TABLET DIRECTLY. Dispose of pouch as directed in disposal statement.
3. Extend the dispenser to full length.
4. Place the dispenser on the back or side of the tank away from moving parts. Hold it in place and let it fill with water. It will begin working after several flushes.

DO NOT DROP TABLET DIRECTLY INTO TANK WATER! This product should be used in toilets that are flushed daily.

{Section for box with refill tablet only}
