Office of Pesticide Programs
Antimicrobial Division (7510C)
1200 Pennsylvania Avenue, N.W.
Washington, D.C. 20004

EPA Reg. Number:

5185-491

Date of Issuance:

OCT 15 2003

NOTICE OF PESTICIDE:

- Registration
- Reregistration

(under FIFRA, as amended)

Term of Issuance:

Conditional

Name of Pesticide Product:

Nirvana

Name and Address of Registrant (include ZIP Code):

Bio-Lab, Inc.
P.O. Box 1489
Decatur, GA 30031

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the following label changes before you release the product for shipment:

- a. Revise the "EPA Registration Number to read, "EPA Reg. No. 5185-491".
- b. Revise the "Precautionary Statements" to read:

Corrosive. Causes irreversible eye damage and skin burns. Harmful if swallowed or absorbed through skin. Do not get in eyes, on skin or on clothing. Wear protective eyewear (goggles, face shield, or safety glasses) protective clothing and gloves. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash contaminated clothing before reuse.

Signature of Approving Official:

Robert S. Brennis, PM 32

Date:

OCT 15 2003

- c. All label claims stating that Nirvana is effective against *Salmonella choleraesuis* must be removed from the product label.
- d. Child Resistance Packaging (CRP) is required for this product.

3. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

{All text in brackets [xxx] is optional and may or may not be included on a final label.}
{All text in braces {xxx} is administrative and will not appear on a final label.}

Bio-Lab, Inc.
PO Box 1489
Decatur, GA

EPA REG. # 5185-
EPA EST. # 5185-GA-1

Net Weight: 3.5 oz (100g)

{Back panel}

Nirvana is a revolutionary new in-tank toilet bowl cleaner containing patented [Power Blue] [True Blue] inner tablet technology. The [Power Blue][True Blue] Tablet tells you when to add a new tablet to your toilet tank. Nirvana sanitizes your toilet bowl using the power of chlorine. Nirvana's concentrated formula maintains a [clean] [sanitized] toilet bowl for up to 11 weeks, reducing the need for difficult brushing. Nirvana is easy to use - just drop the tablet into your toilet tank.

DIRECTION FOR USE: It is in violation of Federal Law to use this product in a manner inconsistent with its labeling. Read entire label and use strictly in accordance with precautionary statements and directions for use.

To Sanitize, Clean and Deodorize:

1. Clean toilet bowl thoroughly including the rim and under the rim.
2. Remove toilet tank top. Holding the tablet pouch away from face cut open with a pair of scissors. **DO NOT TOUCH THE TABLET.**
3. Flush toilet. Before tank refills, hold pouch over tank and drop only the Nirvana Tab into the right rear corner of the tank. Discard pouch and wash hands thoroughly.
4. No removal necessary. Each tablet sanitizes for about 11 weeks. When the tablet is spent, a blue color will be emitted to the bowl for 24-48 hours (approximately 10 flushes). Replace with a new Nirvana Tab. Product should only be used in a toilet that is flushed regularly.
5. When using Nirvana do not add any other product to the toilet tank.

FIRST AID: IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. **IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. **IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible. Call poison control center or doctor for treatment advice. **IF SWALLOWED:** Call poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. **IN CASE OF MEDICAL EMERGENCY, CALL [1-877-800-5553] [telephone number supplied by customer].**

Note to Physician: Probable mucosal damage may contraindicate the use of gastric lavage.

STORAGE AND DISPOSAL: Store in original container in areas inaccessible to small children in a cool, dry, ventilated area. Do not store at elevated temperatures. Discard empty container in trash.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS:

DANGER: Corrosive: Causes irreversible eye damage. Causes skin irritation. Harmful if swallowed. Harmful if absorbed through skin. Do not get in eyes, on skin or on clothing. Irritating to nose and throat. Avoid breathing dust. Wear rubber gloves when handling and wash thoroughly with soap and water after handling.

PHYSICAL OR CHEMICAL HAZARDS: CONTAINS A STRONG OXIDIZING AGENT. Keep away from heat and flame. Mix only with water. Do not add this product to any toilet tank containing remnants of any other product including acids and ammonia.

NOTE: Buyer assumes all responsibility for safety and use not in accordance with direction
