Subject: QUIKCIDE Insecticide Heavy Duty Food Plant
Concentrate
EPA Registration No. 5197-8

Dear Mr. Kuehler:

The draft label submitted with your application dated July 12, 1987 is acceptable. A stamped copy has been enclosed for your records.

Please submit five copies of finished printed labels before you release the product for shipment, as required by PR Notice 83-2 of June 18, 1982. Your finished printed label must comply with the general labeling requirements of 40 CFR 162.10.

Sincerely yours,

Phil Hutton

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

FLIES, MOSQUITOES: Close doors and windows. Fill entire room with fog, directing spray towards ceiling. After 20 minutes, open room and sweep up fallen insects. Repeat treatment as required.

ROACHES, WATERBUGS, SILVERFISH: Spray around baseboards, into cracks, crevices, water pipe, entries, sills, and known hiding places. Spray directly on insects when possible. Frequent applications on infested areas are required for optional control.

BEST AVAILABLE COPY

SPIDERS: Spray directly on spiders and webs with a wet spray.

FLEAS: Spray floors and cracks, baseboards, carpets, upholstery. In addition, spray frequently the sleeping quarters of animals. Repeat applications as needed.

FLOUR BEETLES, CONFUSED FLOUR BEETLES, WEEVILS, CADELLE, FLOUR MOTH IN ACCESSIBLE STAGES: Remove all dirt and trash from floors and walls. Spray crevices, cracks and other hiding places. Spray sufficiently to wet all surfaces and down into cracks, crevices or floor holes where insects may hide.

NOTICE:

Entire air space to be sprayed should be filled with a heavy, dense fog. During spray applications exposed foodstuffs should be covered to prevent contamination from falling insects.

Do not remain in treated areas and ventilate the area after treatment is completed.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Harmful if swallowed. Do not breathe spray mist. Avoid contact with skin, eyes or clothing. In case of contact, immediately flush eyes or skin with plenty of water. Get medical attention if irritation persists.

PHYSICAL OR CHEMICAL HAZARD: Do not use near heat or open flame.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED: Call a physician or Poison Control Center immediately. If possible, vomiting should be induced under medical supervision. Drink one or two glasses of water and induce vomiting by touching the back of the throat with a finger. Do not induce vomiting or give anything by mouth to an unconscious person.

IF INHALED: Remove the victim to fresh air. Apply artificial respiration if indicated.

IF ON SKIN: Remove contaminated clothing and wash affected areas with soap and water.

IF IN EYES: Flush the eyes with plenty of water. Call a physician immediately.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

STORAGE: KEEP CONTAINER CLOSED.

PESTICIDE DISPOSAL: Waste resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL

PLASTIC CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of

in a sanitary landfill, or by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of the smoke.

METAL CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by State and local authorities.
