KEM MANUFACTURING CORPORATION

KEM INTERNATIONAL BUILDING, TUCKER, GEORGIA 30084 U.S.A.

ATLANTA / EAST BRUNSWICK, N.J. / SAN FRANCISCO

International Plants: Canada / Costa Rica / Holland / Jamaica / Puerto Rico

This product will control the following organisms: *Aspergillus Niger*, *Escherichia Coli*, *Pseudomonas Aeruginosa*, *Salmonella Choleraesuis*, *Salmonella Typhosa*, *Staphylococcus Aureus*, *Trichophyton Iterdigitale*, Tubercle Bacilli on environmental surfaces.

DIRECTIONS

FOR DISINFECTING: Hold dispenser upright about 6 to 8 inches from surface to be disinfected and spray 3 seconds until surface is wet.

FOR DEODORIZING: Hold dispenser upright—point the opening away from face. Spray into air towards the center of the room for about 4 seconds.

FOR MILDEW CONTROL ON HARD SURFACES: Clean surfaces before application. Spray surfaces until wet. Repeat application every week to maintain control.

ACTIVE INGREDIENTS:	57.9%
Ortho-phenylphenol	0.10%
Para-tertiary-amyphenol	0.05%
Essential Oils	0.75%
Alcohol	57.00%
INERT INGREDIENTS:	42.1%

This powerful hospital disinfectant and deodorant acts quickly on many germ-laden surfaces, such as: Refuse Cans, Toilet seats, Urinals, Laundry Chutes, Wheel chairs, Air ducts and Light switches after the surface has been properly cleaned. Reduces the danger of transmission of many infectious organisms from environmental surfaces. Effective on odors from many sources in hospitals, nursing homes, ambulances.

NOTE: Do not use on rayon fabrics.

WARNING

KEEP OUT OF REACH OF CHILDREN. Use with adequate ventilation. Avoid breathing of spray mist. Avoid skin contact. Do not get in eyes. In case of contact with eyes, flush at once with water. Avoid contact with food. Rinse with water anything that will come in contact with baby's mouth.

Do not use near fire, sparks or flame.

Do not puncture or incinerate container.

Do not expose to heat or store at temperature above 120 °F.

FOR INDUSTRIAL USE ONLY
NOT FOR RESALE
