

**Precautionary Statements
Hazards to Humans and Domestic Animals**

CAUTION

May be harmful if swallowed, inhaled or absorbed through skin. Avoid breathing spray mist and provide adequate ventilation of area being treated. Avoid contact with skin, eyes and clothing.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED - Drink one or two glasses of water then induce vomiting by touching back of throat with finger. Call a physician.*

IF ON SKIN - Wash off with soap and water.
IF IN EYES - Flush with volumes of water.

*NOTE TO PHYSICIAN - Chlorpyrifos is a cholinesterase inhibitor. Treat symptomatically. Atropine, by injection, is antidote of choice.

Do not use in food areas of food processing plants, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.

Remove pets, birds and cover fish aquariums before spraying. Do not allow children or pets to contact treated surface until spray has dried.

Physical Hazards

Do not use or store near heat or open flame.

DIRECTIONS FOR USE

SHAKE WELL BEFORE USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

Storage: Store in a cool dry area away from heat or open flame. If subjected to temperatures below 30°F (1°C) or above 100°F (38°C), mix before using.

Disposal: Do not reuse empty container. Wrap container and put in trash collection.

SNIPER

Professional Strength

**Ready to Use Spray - Residually Kills:
Roaches, Ants, Ticks, Fleas, and others listed.**

For Use in Homes and Non-Food Areas of Kennels, Commercial Buildings, Warehouses, Theatres, Office Buildings, Schools, Motels, Hotels, Restaurants and Food Processing Facilities.

ACTIVE INGREDIENTS:	
d-trans Allethrin (allyl homolog of Cinerin I)	0.050%
Related compounds	0.004%
N-Octyl bicycloheptene dicarboximide	0.400%
*Chlorpyrifos (0,0-diethyl 0-(3,5,6-trichloro-2-pyridyl) phosphorothioate)	0.500%
Aromatic petroleum distillate	0.282%
Petroleum distillate	0.002%
INERT INGREDIENTS:	98.762%
	100.000%

MGK 264, Insecticide Synergist
*U.S. Patent No. 3,244,586 - Dow Chemical Company.

KEEP OUT OF REACH OF CHILDREN
CAUTION
See Side Panel for Additional Precautionary Statements.

FOR INDUSTRIAL USE ONLY
EPA Registration No. 5197-57

ATLANTA / EAST BRUNSWICK, N.J.

Plants in: Europe / Latin America / Caribbean / Canada / U.S.A.

General: Use SNIPER as a spot treatment to control cockroaches, waterbugs, silverfish, ticks, fleas and other insects listed below. Apply this product as a coarse spray to localized areas where pests are found or may occur. Spray surfaces until wet. Repeat as needed.

To Kill Cockroaches, Ants, Crickets, Silverfish, Spiders and Sowbugs: Spray areas where these pests are found or may hide, including dark corners of rooms and closets; cracks and crevices in walls; along baseboards and door and window frames; behind and beneath sinks, stoves, refrigerators and cabinets and around garbage cans, plumbing and other utility installations. Pests driven out of hiding places should be sprayed directly. For ants, apply to ant trails, also around doors and windows and wherever else these pests may find entrance. Repeat as necessary.

To Kill Brown Dog Ticks and Fleas: Thoroughly apply as a spot treatment to infested areas such as pet beds and resting quarters, nearby cracks and crevices, along and behind baseboards, window and door frames and localized areas of floor and floor coverings where these pests may be present. Old bedding should be removed and replaced with clean, fresh bedding after treatment. To control the source of flea infestation treat pets with a product registered for animal application. **Do not spray pets with this product.**

Flies and Mosquitoes: Use only out of doors as an aid in reducing annoyance from these insects. Spray outside surfaces of window and door frames as well as other areas where these pests may enter the home. Also spray dark corners and localized resting areas (such as under eaves) or porches, patios and garages where these insects may congregate. Flies and mosquitoes coming to rest on treated surfaces will be killed. Repeat treatment when necessary.

NOT FOR RESALE
