OCT 31 1994

P. Matthew Radnia, Ph.D.
Brogdex Company
1441 W. Second Street
Pomona, CA 91766

Dear Dr. Radnia:

Subject: Revised Labeling
Brogdex 598-F
EPA Registration No. 5202-24
Your Application Dated September 13, 1994

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended is acceptable provided that you:

1. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling:

a. In the Environmental Hazards Statement since this product is not applied to crops growing in the field delete the following:

For terrestrial uses, do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water by cleaning of equipment, or disposal of wastes.

b. You may delete "Apply this product only as specified on this label" since this statement is not required.

c. In the ingredient statements align the decimal points so they are on the same margin.

d. On the Unit label move 2-(4-Thiazolyl) so it is immediately below Active Ingredient. Move Inert so it reads Inert Ingredients and so Inert Ingredients is on the same margin as Active Ingredient.

e. On the Unit Label, the Storage and Disposal section is not required. Refer to the Proposed Label Regulations published in the FEDERAL REGISTER on September 26, 1984 on page 37990 for the required contents of a unit package label. If you retain it, use the appropriate language from the Storage and Disposal Section of the outer label.

2. Submit one (1) copy of your final printed labeling before you release the product for shipment.

A stamped copy of the labeling is enclosed for your records.

Sincerely yours,

for Cynthia Giles-Parker
Product Manager (22)
Fungicide Herbicide Branch
Registration Division (7505C)

Enclosure

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION**

HARMFUL IF SWALLOWED, inhaled or absorbed through the skin. Causes moderate eye irritation. Avoid breathing dust. Wear rubber gloves and protective clothing when handling. Remove contaminated clothing and wash before reuse.

ENVIRONMENTAL HAZARD

For terrestrial uses, do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high watermark. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on this label. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer system without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

PHYSICAL AND CHEMICAL HAZARDS

Do not store or use in presence of fire, sparks, or spark producing devices. Dust may ignite explosively.

DIRECTION FOR USE

Notice to user: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store at ambient temperature in a dry place.

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes can not be disposed of by use according to label instructions, contact your state pesticide or Environmental Control Agency, or the nearest Regional office for guidance.

CONTAINER DISPOSAL: If plastic container - Triple rinse (or equivalent), then offer for recycling or reconditioning, or puncture and dispose of by placing in a sanitary landfill, or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke. If paper bag - Dispose of empty bag in a sanitary landfill or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

NOTICE OF WARRANTY

Brogdex Company warrants that this product conforms to the chemical description on the label thereof and is reasonably fit for purposes stated on such label only when used in accordance with the directions under normal use conditions. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of Brogdex Company. In no case shall Brogdex Company be liable for consequential, special or indirect damages resulting from the use or handling of this product. All such risks shall be assumed by Buyer. BROGDEX COMPANY MAKES NO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE NOR ANY OTHER EXPRESS OR IMPLIED WARRANTY EXCEPT AS STATED ABOVE.

BROGDEX

A Fungicide for the Postharvest Treatment of Citrus.

ACTIVE INGREDIENT:
2-(4-Thiazolyl) benzimidazole.....98.5%

Precautionary Statements
HAZARDOUS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

HARMFUL IF SWALLOWED
Avoid contact with skin, eyes, or clothing.
PRECAUTIONARY STATEMENTS

HARMFUL IF SWALLOWED, inhaled or absorbed through the skin. Causes moderate eye irritation. Avoid breathing dust. Wear rubber gloves and protective clothing when handling. Remove contaminated clothing and wash before reuse.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED: Call a physician or poison control center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person. **IF IN EYES:** Flush with water 15 minutes. Get medical attention if irritation persists. **IF ON SKIN:** Wash with plenty of soap and water. **IF INHALED:** Remove victim to fresh air. If not breathing give artificial respiration preferably by mouth-to-mouth.

ENVIRONMENTAL HAZARDS

For terrestrial uses, do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high watermark. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on this label. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer system without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

PHYSICAL OR CHEMICAL HAZARDS

Do not store in the presence of fire, sparks or spark producing devices. Dust may ignite explosively.

DIRECTIONS

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read and follow package directions. Do not separate this unit from package except for immediate use in accordance with label instructions.

DISPOSAL

PESTICIDE DISPOSAL. Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes can not be disposed of by use according to label instructions, contact your state pesticide or Environmental Control agency, or the nearest regional office for guidance.

CONTAINER DISPOSAL: Triple rinse (or equivalent), then offer for recycling or reconditioning, or puncture and dispose of by placing in a sanitary landfill, or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.
