PRECAUTIONARY STATEMENTS
HAZARD TO HUMANS AND DOMESTIC ANIMALS

DANGER

Corrosive - Causes irreversible eye damage and skin burns. May be fatal if swallowed, absorbed through the skin or inhaled. Prolonged or frequently repeated contact may cause allergic reactions in some individuals. Avoid breathing vapors. Use only with adequate ventilation. Wash thoroughly with soap and water after handling.

PERSONAL PROTECTIVE EQUIPMENT

USER SAFETY RECOMMENDATIONS

Users should:

- Remove contaminated clothing immediately. Then wash thoroughly and put on clean clothing. Wash contaminated clothing before reuse.
- Protective gloves, goggles and clothing should be worn to minimize contact.
- If exposed to vapors or mist, use NIOSH approved respiratory protection.
- Follow manufacturer's instructions for cleaning and maintaining PPE. If no such instructions for washables, use detergent and hot water. Keep and wash PPE separately from other laundry.
- Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.

ENVIRONMENTAL HAZARDS

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of EPA. This material is toxic to fish. Do not contaminate water when cleaning equipment or disposing of equipment washwaters.

PHYSICAL OR CHEMICAL HAZARDS

Do not use or store near heat or open flame. Avoid contact with acids and oxidizers.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

ACCEPTED

AUG 0 9 2002

Under the Federal Insecticide, Fungicide, and Rodenticide Act as amended, for the pesticide, registered under EPA Reg. No. 204-1

For use in the formulation of wood preservatives and in forming microbiocides, fungicides and antifoulant coatings. Do not use in interior paints or coatings. For Commercial Use Only!

STORAGE AND DISPOSAL

PESTICIDE STORAGE: Store in original container in a cool, dry place. Prevent exposure to heat or flame. Do not store near acids or oxidizers. Keep container tightly closed.

PESTICIDE SPILL PROCEDURE: In case of a spill, absorb spills with absorbent material. Put saturated absorbent material into a labeled container for treatment or disposal.

PESTICIDE DISPOSAL: Pesticide that cannot be used according to label instructions must be disposed of according to Federal or approved State procedures under Subtitle C of the Resource Conservation and Recovery Act.

CONTAINER DISPOSAL: Triple rinse (or equivalent) and offer for reconditioning, recycling or puncture and dispose of in a sanitary landfill or by other approved State and Local procedures.

PROPER SHIPPING NAME

Organotin Pesticide, liquid, toxic, NOS, (Tributyltin oxide), UN 3020, Marine Pollutant. Please affix TOXIC and MARINE POLLUTANT label immediately to the right of this label.
