

bioMeT*

Spray Sanitizer

STOPS MILDEW, MOLD, ROT, DECAY,
and odors by controlling growth of most
bacteria and fungi that cause them.

RECOMMENDED USES:

M&T's bioMeT Spray Sanitizer provides long-lasting sanitizing effectiveness when sprayed as directed on clothing, shoes, bedding and carpeting. Can also be used around the home to provide this effectiveness in sick rooms, living rooms, attics, cellars, laundry hampers, garbage pails and animal areas.

ACTIVE INGREDIENTS

bis (tri-n-butyltin) oxide.....0.02%
n-alkyl (60% C₁₄, 30% C₁₆,
5% C₁₂, 5% C₁₈) dimethyl
benzyl ammonium chloride...0.15%
Isopropyl alcohol.....15.00%

INERT INGREDIENTS.....84.83%

DIRECTIONS FOR USE:

To protect materials and sanitize surfaces, hold bioMeT Spray Sanitizer 8 to 12 inches from object. Cover entire surface with spray mist.

When treating objects contaminated with mildew, mold and fungi, wash surfaces thoroughly with soap and water before spraying.

Be sure spray has dried before wearing clothing or shoes that have been treated.

Reduces germs by 99% on surfaces where used.

Long-lasting residual antimicrobial activity.

Effective for the control of "Staph"

CAUTION: Keep Out of Reach of Children

See side panel for additional cautions

*Trademark of M&T Chemicals Inc.

CAUTION: Harmful if swallowed. May cause skin irritation. Avoid breathing spray mist. Avoid direct contact with skin and eyes. In case of contact, wash skin with soap and water; for eyes flush with plenty of water and get medical attention. Avoid storage near feed and food products.
