

(for plastic containers)

Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by State and local authorities, by burning. If burned, stay out of smoke.

The "STORAGE and DISPOSAL" heading must be of the same type size as the child hazard warning statement.

- b. On the side panel, above the misuse statement, add the "Directions For Use" heading.
- c. Revise "Read technical data bulletin about this product prior to use" to read "Refer to technical data bulletin for Use Directions."
- d. The term "First Aid" must be revised to read "Statement of Practical Treatment."
- e. On the front panel, include the following precautionary statements:

**Precautionary Statements
Hazards to Humans and Domestic Animals**

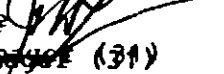

- 2. Submit five (5) copies of your final printed labeling before you release the product for shipment.

Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

A stamped copy of the labeling is enclosed for your records.

If you have any questions concerning this letter, please contact Martha DeLacey at (703) 557-6982.

Sincerely yours,

John N. Lee

Antimicrobial Compound

For Control of the Growth of Fungi and Many Bacteria

WARNING! KEEP OUT OF REACH OF CHILDREN.

May be fatal if swallowed or absorbed through skin. Causes severe eye and skin irritation.

ACTIVE INGREDIENTS

diphenylstibine 2-ethylhexoate	10%
INERT INGREDIENTS	90%
	Total: 100%

This product contains the toxic inert ingredient Di-ethylhexyl phthalate.

Do not get in eyes, on skin, or on clothing. Do not breathe spray mist. Wear goggles, rubber gloves and respirator when handling. Avoid storage near food and feed products. Wash thoroughly after handling.

FIRST AID: In case of contact, immediately remove contaminated clothing and wash skin with soap and water. If irritation persists, get medical attention.

In case of contact with eyes, flush with plenty of water and get medical attention. Launder contaminated clothing before reuse.
