

SOLVENTOL AQUATREAT 4C

Active Ingredients:	
Disodium cyanodithioimidocarbonate	7.35%
Potassium N-methyldithiocarbamate	10.15%
Inert Ingredients	82.50%
Total	100.0%

This product contains 1.67 lb. of active ingredients per gallon and weighs 9.25 lb. per gallon.

DIRECTIONS FOR USE—General Classification

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. SOLVENTOL AQUATREAT 4C is used to control algae, bacteria, and fungi in recirculating commercial and industrial water cooling towers. Prior to its use, systems must be cleaned to remove algal growth, microbiological slime, and other deposits. An initial slug addition of 3.3 to 6.6 fluid ounces of SOLVENTOL AQUATREAT 4C per 1000 gallons of water is recommended. Repeat initial dosage until control is evident.

Subsequent slug additions of 1.1 to 6.6 fluid ounces of SOLVENTOL AQUATREAT 4C per 1000 gallons of water should be employed every 1 to 5 days, or as needed. The frequency of addition depends upon the relative amount of bleedoff and the severity of the microbiological problem. Slug additions should be made in the sump of water cooling towers.

KEEP OUT OF REACH OF CHILDREN

WARNING:

PRECAUTIONARY STATEMENTS—Hazards to Humans and Domestic Animals.

WARNING: Causes eye damage and skin irritation. Wear goggles or face shield and rubber gloves. Avoid contact with skin and clothing. Avoid contamination of food.

FIRST AID: In case of contact, immediately flush eyes with water for at least 15 minutes. For eyes, call a physician. Remove contaminated clothing. If swallowed, give patient doses of poison antidote such as milk, gruel, or flour mixed with salt, soap, or mustard in warm water. Call a physician for further treatment.

ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish, birds, and aquatic invertebrates. Do not apply to streams, ponds, or public waters unless in accordance with the label. For more information, contact your Regional Office of the EPA.

STORAGE AND DISPOSAL:

PROHIBITIONS: Do not contaminate water, food, or feed. Storage and disposal procedures are given on the label. Dumping is prohibited.

PESTICIDE DISPOSAL: Pesticide, spray mixture, or container that has been chemically reprocessed should be disposed of in a landfill in a safe place away from water supplies.

CONTAINER DISPOSAL: Triple rinse (or equivalent) and then recycle where available. If not recycled, containers should be disposed of in an approved landfill, or bury in a hole at least 6 inches deep. Gallons should be resealed before offering for reuse.

GENERAL: Consult Federal, State or Local disposal procedures.

ACCEPTED
FEB 27 1981
Under the Federal Insecticide, Fungicide, and Rodenticide Act, this pesticide is registered under EPA Reg. No. 5362-24

KEEP OUT OF REACH OF CHILDREN

WARNING:
PRECAUTIONARY STATEMENT — Hazards to Humans and Domestic Animals.
EPA REG. NO. 5362-24

WARNING: Causes eye damage and skin irritation. Do not get in eyes, on skin, or on clothing. Wear goggles or face shield and rubber gloves when handling. Harmful or fatal if swallowed. Avoid contamination of food.

FIRST AID: In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse. If swallowed, give patient doses of powdered charcoal immediately or all he can swallow of raw egg white, milk, gruel, or flour and water. Then induce vomiting with salt, soap, or mustard in warm water. Call a physician immediately.

ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish. Do not discharge into lakes, streams, ponds, or public waters unless in accordance with an NPDES permit. For guidance contact your Regional Office of the EPA.

STORAGE AND DISPOSAL:

PROHIBITIONS: Do not contaminate water, food, or feed by storage or disposal. Open dumping is prohibited.

PESTICIDE DISPOSAL: Pesticide, spray mixture, or rinsate that cannot be used or chemically reprocessed should be disposed of in a landfill approved for pesticides or buried in a safe place away from water supplies.

CONTAINER DISPOSAL: Triple rinse (or equivalent) and offer for recycling, reconditioning, or disposal in an approved landfill, or bury in a safe place. Metal containers over 30 gallons should be resealed before offering for reconditioning.

GENERAL: Consult Federal, State or Local disposal authorities for approved alternative procedures.
