Subject: Label Amendment – Registration Review Label Implementation
Registration Review Interim Decision Label Mitigation
Product Name: OBPA (10, 10' OXYBISPHENOXARSINE)
EPA Registration Number: 5383-124
Received Date: 7/27/2021
Action Case Number: 587894

Dear Adrian Krygsman:

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, is acceptable. This approval does not affect any conditions that were previously imposed on this registration. You continue to be subject to existing conditions on your registration and any deadlines connected with them.

The Agency, in accordance with the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, has completed reviewing all of the information submitted with your application to support the Registration Review of the above referenced product in connection with the 10, 10'-Oxybisphenoxarsine (OBPA) Interim Decision, and has concluded that your submission is acceptable.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. Pursuant to 40 CFR 156.10(a)(6) you must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 12 months from the date of this letter. After 12 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under FIFRA and is subject to review by the Agency. See FIFRA section 2(p)(2). If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made

on the website may not substantially differ from those claims approved through the registration process, FIFRA section 12(a)(1)(B). Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6. If you have any questions, please contact Megan Snyderman by phone at 202-566-0639, or via email at Snyderman.Megan@epa.gov.

Sincerely,

A handwritten signature in blue ink, appearing to read 'J. Gayoso', is centered on the page.

Jose Gayoso, Senior Regulatory Advisor

Enclosure: Stamped Label

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC
ANIMALS

DANGER

Fatal, if swallowed. CORROSIVE, causes irreversible eye damage and skin burns. Do not get in eyes, on skin or on clothing. Avoid breathing dust. Wear goggles or face shield, water proof gloves, long sleeved shirts and long legged pants, shoes and socks when handling. Wash thoroughly with soap and water after handling and before eating, drinking, or using tobacco. Remove contaminated clothing and wash before reuse.

FIRST AID	
IF SWALLOWED:	<ul style="list-style-type: none">• Call Poison Control Center or Doctor immediately for treatment advice.• Have person sip a glass of water if able to swallow.• Do not induce vomiting unless told to do so by the poison control center or doctor.• Do not give anything by mouth to an unconscious person.
IF IN EYES:	<ul style="list-style-type: none">• Hold eye open and rinse slowly and gently with water for 15-20 minutes.• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing the eye.• Call a poison control center or doctor for further treatment advice.
IF ON SKIN OR CLOTHING:	<ul style="list-style-type: none">• Take off contaminated clothing.• Rinse skin immediately with plenty of water for 15-20 minutes.• Call a poison control center or doctor for further treatment advice.
IF INHALED:	<ul style="list-style-type: none">• Move person to fresh air.• If person is not breathing, call 911, or an ambulance, then give artificial respiration preferably by mouth-to-mouth, if possible.• Call a poison control center or doctor for further treatment advice.
HOTLINE NUMBER:	
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-424-9300 for emergency medical treatment information.	
NOTE TO PHYSICIAN:	
Probable mucosal damage may contraindicate the use of gastric lavage.	

ACCEPTED

03/21/2024

Under the Federal Insecticide, Fungicide and Rodenticide Act as amended, for the pesticide registered under EPA Reg. No. 5383-124

OBPA
(10, 10' OXYBISPHENOXARSINE)
FOR INDUSTRIAL PURPOSES ONLY
IN MANUFACTURING
FUNGICIDES & BACTERICIDES

EPA Reg. No.	5383-124
EPA Establishment Number	86328-CHN-001

ACTIVE INGREDIENT:
10,10'-oxybisphenoxarsine..... 99.00%
INERT INGREDIENTS 1.00%
TOTAL 100.0%

*Total Arsenic as Elemental Form.....29.83%
Water Soluble Arsenic in Elemental Form....0.0005%

KEEP OUT OF REACH OF CHILDREN

DANGER POISON

PRODUCED IN CHINA

Net Weight: kgs. / lbs.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish, aquatic invertebrates, birds and mammals. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product into sewer systems without previously notifying the local sewage treatment authority. For guidance contact your State water board or Regional Office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling
Formulators are responsible for obtaining registrations on their end-use products. For formulating directions, refer to the process manufacturing instructions.

USE SITES:	INDOOR NON-FOOD Industrial Adhesives Resin/Latex/Polymer Emulsions Plastic Products Specialty Industrial Products Textiles/Textile Fiber/Cordage Deterioration/spoilage bacteria, mold
TARGET PESTS:	
FORMULATION TYPES REGISTERED TYPE:	End use, manufacturing use
FORM:	Emulsifiable concentrate, liquid soluble concentrate, Solid soluble concentrate, solid formulation not identified (manufacturing use)
METHODS OF APPLICATION	
TYPES OF TREATMENT:	Industrial Preservative
RATE OF APPLICATION:	10,10' Oxybisphenoxarsine is used to formulate end-use products for use in flexible vinyl systems. The use level of 10,10' Oxybisphenoxarsine is based on the weight of the treated article. From 150 up to 400 ppm of active ingredient by weight
INDUSTRIAL ADHESIVES:	
RESIN/LATEX/POLYMER	
EMULSIONS:	From 150 up to 500 ppm of active ingredient by weight
PLASTIC PRODUCTS:	From 300 up to 500 ppm of active ingredient by weight. Only for use in inner-layer /backing of PVC Flooring.
SPECIALTY INDUSTRIAL PRODUCTS	From 300 up to 500 ppm of active ingredient by weight. Only for use in inner- layer/backing of artificial leather upholstery. : From 400 up to 1,000 ppm of active ingredient by weight. Only for use in carpet backing (not for use in carpet fibers). Not for use on consumer textiles including items that come into contact with foodstuffs and items of clothing and infant wear.
TEXTILES/TEXTILE FIBERS/ CORDAGE:	
USE PRACTICES LIMITATIONS:	Do not use OBPA products where the treated materials can come in contact with humans, pets, or be used as food or feed packing material or as food contact surfaces.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal.

PESTICIDE STORAGE: Do not store in the presence of food or feed. OBPA that cannot be used according to label instructions must be disposed of according to Federal or approved State procedures under subtitle C of the Resource Conservation and Recovery Act (RCRA).

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA regional office for guidance.

CONTAINER HANDLING:
Non-refillable container. Do not reuse or refill this container. Completely empty bag into application equipment. Then offer for recycling, if available, or dispose of empty bag in a sanitary landfill or by incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke

Non-refillable container. Do not reuse or refill this container. Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application equipment. Offer for recycling if available, or dispose of liner in sanitary landfill or by incineration if allowed by State and local authorities. If drum is contaminated and cannot be reused, dispose of in the same manner.
