Subject: Add Alternate Brand Name "TROYGUARD AM10"
EPA Reg. No. 5383-135
Notification Letter Dated September 18, 2014

This letter acknowledges receipt of the Notification identified above submitted under the provisions of section 3(c)(9) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended and PR Notice 98-10.

Based on a review of the submitted information, this notification is acceptable. This information has been made a part of your file. Please note that if you would like a stamped label, you must submit an amendment request.

Should you have any questions concerning this letter, please contact Elizabeth Watkins at (703) 347-0241.

Sincerely,

Elizabeth H. Watkins for

Eric Miederhoff
Acting Product Manager (33)
Regulatory Management Branch 1
Antimicrobials Division (7510P)

MENTS

CAUTION Causes moderate eye irritation. Avoid contact with eyes or clothing. Wear protective eyewear (goggles or face shield). Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco.

Mixers, loaders and others exposed to this product must wear:

- Discard clothing or other absorbent materials that have been drenched or heavily contaminated with this product's concentrate. Do not reuse them. Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables exist, use detergent and hot water. Keep and wash PPE separately from other laundry.

Users should:

- Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.
- Remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.
- Remove personal protective equipment immediately after handling this product.
- Wash the outside of gloves before removing. As soon as possible wash thoroughly.

IF IN EYES:

- Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after 5 minutes, then continue rinsing.
- Call a poison control center or doctor for treatment advice.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of EPA.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

APPLICATION

Do not apply this product in a way that will contact workers or other persons.

The following are suggested use levels for TROYGUARD AM10. Typically use levels for the various applications indicate the approximate levels for the particular application. All suggested use rates are in percentage by weight and refer to the product TROYGUARD AM10. In order to determine the most effective use level for TROYGUARD AM10 in a given use, field trials are suggested.

Adhesives: 0.5%-1.5% (or 0.5lbs/100lbs adhesive)

(Home Cleaning Products/Laundry Additives)

Interior/Exterior Coatings: 0.5%-1.5% (or 0.5lbs/100 adhesive)

Caulks/Grouts/Sealants: 0.5% 1.5% (or 0.5lbs/100 adhesive)

Product should be agitated well to ensure thorough mixing of TROYGUARD AM10.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE STORAGE: Storage between 90°F (32°C) and 32°F (0°C) is suggested.

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticides, spray mixture, or rinsate is a violation of federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State pesticide or environmental control agency or the hazardous waste representative at the nearest EPA regional office for guidance.

CONTAINER DISPOSAL: Nonrefillable container. Do not reuse or refill this container. Clean container promptly after emptying. Triple rinse as follows: Empty the remaining contents into application equipment or a mix tank. Fill the container 1/4 full with water. Replace and tighten closures. Tip container on its side and roll it back and forth, ensuring at least one complete revolution, for 30 seconds. Stand the container on its end and tip it back and forth several times. Turn the container over onto its other end and tip it back and forth several times. Empty the rinsate into application equipment or a mix tank or store rinsate for later use or disposal. Repeat this procedure two more times. Then offer for recycling or reconditioning if available, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.
