Notification

Mergal 753

EPA Registration No. 5383-136

Amendment Letter dated August 6, 2011

This will acknowledge receipt of your notification for the aforementioned product labels, submitted under the provisions of FIFRA Section 3(c) (9). Based on a review of the submitted material, the following apply:

• Updating container disposal language per PR Notice 2007-4

The Notification is in compliance with PR Notice 98-10 and is acceptable. This information has been made a part of your file.

If you have any questions concerning this letter, please contact Demson Fuller at (703) 308-8062.

Sincerely,

Marshall Swindell Product Manager (33)

Regulatory Management Branch 1 Antimicrobials Division (7510C)

Subject:

Submission of Labeling Revisions

Per PR Notice 2007-4 for: Mergal 753, EPA Reg. No.: 5383-136

Dear Mr. Swindell:

Enclosed, please find the revised labeling in accordance with the provisions of PR Notice 2007-4 for the subject-referenced products. Please note that no other labeling changes have been made outside the scope of this PR Notice. Included hereunder for each product please find:

- application form 3570-1;
- one copy of product label with revisions underlined.

Please contact me at either 973-443-4200, ext. 2285 or at <u>rasicp@troycorp.com</u> should you have any questions or require any additional information.

With kind regards,

Peko Rasic

### **ENVIRONMENTAL HAZARDS**

This product is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of EPA.

#### **DIRECTIONS FOR USE**

 $\hat{\mathbb{E}}$  is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

#### **GENERAL INFORMATION**

APPLICATION RATE: Mergal®753 is an effective preservative for most aqueous applications. Mergal®753 is suggested for use in aqueous or water-containing products and systems, including industrial and institutional products to control growth of bacteria and fungi. Suggested rate is 0.02-0.15% wt/wt of Mergal®753 in the finished product. For example, use 0.2-1.5 lbs. of Mergal®753 per 1000 lbs. of finished product.

#### STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal. Open dumping is prohibited.

**PESTICIDE STORAGE**: Protect from frost. If frozen, allow to thaw and stir well before use.

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide spray mixture or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State pesticide or environmental control agency or the hazardous waste representative at the nearest EPA regional office for guidance.

CONTAINER DISPOSAL: Nonrefillable container. Do not reuse or refill this container. Clean container promptly after emptying. Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by State and local authorities. Triple rinse as follows: Empty the remaining contents into application equipment or a mix tank. Fill the container ½ full with water. Replace and tighten closures. Tip container on its side and roll it back and forth, ensuring at least one complete revolution for 30 seconds. Stand the container on its end and tip it back and form several times. Empty the rinsate into application equipment or a mix tank or store rinsate for later use or disposal. Repeat this procedure two more times. Then offer for recycling or reconditioning if available, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.
