Washington DC 20001

Subject: Label & CSF Notification per PRN 98-10 – Updates resulting of product transfer
Product Name: Fungitrol 400S Fungicide
EPA Registration Number: 5383-169
Application Date: 01-05-16
Decision Numbers: 512748 & 514675

Dear Mr. Lewis:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10. The Antimicrobials Division (AD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the actions requested fall within the scope of PRN 98-10.

The label submitted with the application has been stamped “Notification” and will be placed in our records.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

The CSFs submitted with your application have been stamped “Notification” and placed in our files.

Please note that the record for this product currently contains the following CSFs:

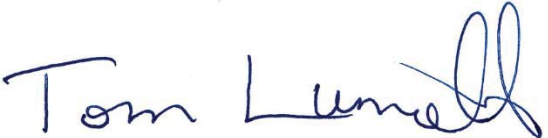

- Basic CSF dated 01/05/2016

Page 2 of 2
EPA Reg. No. 5383-169
Decision No. 512748 & 514675

Any CSFs other than those listed above are superseded/no longer valid.

If you have any questions, please contact Tom Luminello at (703) 308-8075 or by email at luminello.tom@epa.gov.

Sincerely,

Tom Luminello for

Jacque Hardy, Product Manager 34

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

DANGER

CORROSIVE. Causes irreversible eye damage. Do not get in eyes, on skin or on clothing. Wear protective eyewear (goggles or face shield). May be fatal if inhaled. Do not breathe dust. Wear a mask or respirator approved by NIOSH. Harmful if swallowed or absorbed through skin. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse. Wear goggles or face shield, protective clothing, chemical resistant gloves (such as nitrile or butyl). Prolonged or frequently repeated skin contact may cause allergic reaction in some individuals.

FIRST AID	
IF IN EYES:	<ul style="list-style-type: none"> Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.
IF INHALED:	<ul style="list-style-type: none"> Move the person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.
IF SWALLOWED:	<ul style="list-style-type: none"> Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person
IF ON SKIN OR CLOTHING:	<ul style="list-style-type: none"> Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
Have the product container or label with you when calling a poison control center or doctor or going for treatment.	
NOTE TO PHYSICIAN:	
Probable mucosal damage may contraindicate the use of gastric lavage.	

FUNGITROL® 400S Fungicide

EPA Reg. No.	5383-169
EPA Establishment Number	5383-NJ-1

ACTIVE INGREDIENT:
3-Iodo-2-Propynyl Butyl Carbamate**98.0%**
INERT INGREDIENTS:**2.0%**
TOTAL:.....**100.0%**

NOTIFICATION

5383-169
 The applicant has certified that no changes, other than those reported to the Agency have been made to the labeling. The Agency acknowledges this notification by letter dated:
 04/27/2016

KEEP OUT OF REACH OF CHILDREN

DANGER

Net Weight:

Manufactured for:
Troy Chemical Corporation
 One Avenue L, Newark, N.J. 07105

ENVIRONMENTAL HAZARDS

This product is toxic to fish and aquatic organisms. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

For manufacturing use only in the formulation of end use products in the following applications:

- Dry film paint
- Aqueous metalworking, cutting, cooling, and lubricating fluids and concentrates.
- Paper coatings, plastics and plastic coatings, cordage, inks, and wood preservatives.
- Cement based products.
- Non-medical, non-food contact aqueous, solvent and non-solvent based systems such as natural and synthetic adhesives, caulks, patching compounds, sealants, grouts, latexes such as sbr/latex used in the manufacture of flooring adhesives or carpet backings.
- Pigment dispersions* and slurries*
- Gypsum slurries for wallboard (drywall and gypsum board).*
- Household, consumer, industrial, institutional, and janitorial products* such as liquid and solid air fresheners*, dish detergents*, laundry products*, soaps and detergents*, non-food contact surface cleaners*, floor care products*, bathroom cleaners*, window cleaners*, fabric care products*, automotive care products*, and furniture care products*.

Formulators using this product are responsible for obtaining EPA registration of their formulated product(s) and developing efficacy data to support registration of their product(s).

*This use application is not approved for use in California.

NOTE: READ THE MATERIAL SAFETY DATA SHEET BEFORE USING THIS PRODUCT.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.
PESTICIDE STORAGE - Do not store with strong oxidizing agents or strong (concentrated) acids. Keep container tightly closed when not in use. Do not reuse container.
PESTICIDE DISPOSAL - Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your local State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.
CONTAINER HANDLING - Non-refillable container. Do not reuse or refill this container. Triple rinse (or equivalent) promptly after emptying. Triple rinse as follows: Empty the remaining contents into application equipment or a mix tank. Fill the container ¼ full with water. Replace and tighten closures. Tip container on its side and roll it back and forth, ensuring at least one complete revolution, for 30 seconds. Stand the container on its end and tip it back and forth several times. Empty the rinsate into application equipment or a mix tank or store rinsate for later use or disposal. Repeat this procedure two more times. Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.
