

US ENVIRONMENTAL PROTECTION AGENCY
OFFICE OF PESTICIDES PROGRAMS
REGISTRATION DIVISION (TS 767)
WASHINGTON, DC 20460

EPA REGISTRATION NO.

334-14

DATE OF ISSUANCE

APR 29 1988

NOTICE OF PESTICIDE: REGISTRATION
 REREГИSTRATION

Under the Federal Insecticide, Fungicide,
and Rodenticide Act, 7 U.S.C. 136-136c

TERM OF ISSUANCE

NAME OF PESTICIDE PRODUCT

Bay-11 125-11-1

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

NOTE: Changes in labeling for a differing, in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an endorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

Under the Federal Insecticide, Fungicide, and Rodenticide Act, 7 U.S.C. 136-136c, you are hereby notified that your product is registered under the Act.

1. Your product is registered under the Act. You must comply with the following conditions:

2. Add the phrase "EPA Registration No. 334-14" to your label before you release the product for shipment. *Delete "with" under "It's safe, it's..."*
3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Storage and Disposal:

Keep product dry in tightly closed container when not in use. Store in a cool, dry, well ventilated area away from heat or open flame.

Disposal:

Waste resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container Disposal:

Place completely empty packets and cartons in trash collection or dispose in a sanitary landfill or incinerator.

FIRST AID

EYES: Immediately flush with cool water. Remove contact lenses. Continue flushing with a gentle stream of water for fifteen minutes. If irritation persists, get medical attention.

SKIN: Rinse with water. If irritation persists, get medical attention.

IF SWALLOWED: Drink large quantity of water or milk (one to two glassfuls) and get medical attention.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Warning: Causes eye and skin irritation. Do not get in eyes on skin or on clothing. Harmful if swallowed. Avoid contamination with food.

PHYSICAL AND CHEMICAL HAZARDS

Do not use in combination with soap, detergent or other chemicals. If mixed with ammonia, toilet bowl cleaner, drain openers, acid containing products or readily oxidizable materials, harmful gases will be given off. In case of accidental mixing with such chemicals, ventilate the area and move to fresh air.
