EPA Reg. No. 5412-2

EPA Est. No. 5412-FL-1

Directions for use:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Use to preserve flavor and protect freshness by retarding blue and green mold and stem rot of citrus fruits in transit. Use one sheet per fruit as a conventional wrapper.

Storage and disposal:

Store away from excessive heat. Opened cartons should be resealed after use to retain effectiveness. Completely use contents of box. Then dispose of empty box in a sanitary landfill or by incineration if allowed by state and local authorities. If burned, stay out of smoke.
