

ALCORIN T

For control of corrosion, algae and slime in industrial recirculating water heat transfer systems.

APPLICATIONS

To be added as needed to obtain 200-400 ppm of product in the water in the system; or apply as a continuous feed to maintain 200-400 ppm of product in the water used to make-up for bleed-off; or apply 200-400 ppm of product to the system, followed by periodic half doses when bleed-off water volume is half the volume contained in the system.

ACTIVE INGREDIENTS

Sodium pentachlorophenate	9.4%
Other chlorophenates and related compounds	1.4%

INERT INGREDIENTS

89.2%

100.0%

Net contents marked elsewhere on each container

WARNING: FOR INDUSTRIAL USE ONLY.

Also contains chromate and alkali. Causes skin irritation. Do not get in eyes, on skin, or on clothing. Do not take internally.

If in contact with eyes, flush with water for at least 15 minutes; see a doctor. If in contact with skin, flush with water; wash with soap and water. See a doctor if irritation persists. If in contact with clothing, remove and wash before use.
