**JUST DANDY Bleach Cleans, Disinfects, Deodorizes...** Brand new principle which magically floats dirt out-makes bleaching more effective-faster. Ideal for all white and color fast fabrics including cottons, linens, nylons, dacrons, orlons and other synthetics. JUST DANDY Bleach loosens dirt and brightens colors-Superior for removing stains and spots - and laundering items exposed to germs contamination. Deodorizes and disinfects at the same time. Makes bleaching more effective, faster.

Do not use on silk, woolens or leather. Use on white and color fast fabrics only. Important Note-Some fabrics are treated with special resins used in dimensional stabilization and are chlorine retentive. Such fabrics when bleached may tend to yellow after ironing. Check labels of all garments before bleaching.
