CARDINAL PIMALARIN #1 EMULSIFIABLE

A SPECIAL RESIDUAL CONCENTRATE

U.S.D.A. REG. NO. 5440-R

Formulated with Premium Grade Malathion

ACTIVE INGREDIENTS..... 100.00%

Petroleum Hydrocarbons 73.25%

Malathion..... 20.00% — 5.00%

Technical Piperonyl Butoxide 1.25%

Pyrethrins 50%

POLYOXYETHYLENE SORBITOL
OLEATE-LAURATE

*0,0-dimethyl dithiophosphate of diethyl mercaptosuccinate.

**Consist of (Butylcarbityl)(6-propylpiperonyl) ether and related compounds.

5440-60
ACCEPTED
JUL 21 1947

This residual spray, when diluted at the rate of one part concentrate to 5-7 parts ~~concentrate~~ ^{WATER}, combined the insect agitating characteristics of Pyrethrin-Piperonyl Butoxide synergisms and the residual qualities of Premium Grade Malathion.

Cardinal Pimalarin #1, when diluted at the suggested rates, is a surface spray designed to combat exposed insects such as cockroaches, grain and flour weevils, flour and meal moths, ants, spiders, crickets, and carpet beetles. Use this product as wet course spray for residual protection in food processing plants, flour mills, grain elevators and empty grain bins. Do not apply where food other than grain will come in contact.

FISH AND WILDLIFE CAUTIONS: This product is toxic to fish. Keep out of lakes, streams or ponds.

NOTICE: Pursuant to regulations set down by the U. S. Department of Agriculture the only formulations of malathion that may be used on or around stored grains are those that are formulated with premium grade malathion. This is a highly refined grade of malathion.

NOTICE: The use of this material being subject to conditions beyond their control, neither Cardinal Chemical Company nor the seller make any representation or warranty, express or implied, as to effectiveness of use. The sellers shall not be held responsible for any injury resulting from the use, handling or storage of said material, whether or not used in accordance with directions. Acceptance of this material by the buyer shall be deemed an acceptance of the foregoing terms and will release Cardinal Chemical Company and the seller from liability. The manufacturer's only warranty is that the material conforms in content to the description on the label. Seller does not guarantee that the use of this material on edible portions of the plants will not exceed the tolerance, if any, established by the appropriate Government Agency.

CAUTION:

KEEP OUT OF REACH OF CHILDREN

EMERGENCY IF SWALLOWED

AVOID CONTACT WITH EYES AND SKIN. WASH THOROUGHLY AFTER HANDLING.
DO NOT FEED TO ANIMALS OR USE ON FEED AND FOODSTUFFS.
