**Precautionary Statements
Hazards to Humans and Domestic Animals
CAUTION**

Harmful if swallowed. Avoid breathing vapor. Avoid contact with skin, eyes or clothing. Wear protective clothing. Wash exposed skin with soap and water after handling and before eating. Wash all contaminated clothing with soap and water separately from other clothing before reuse. Do not apply directly to processed food. In commercial food handling facilities, processed food and processing equipment should be covered or removed during application. Do not apply as a space spray while food processing is underway. Facilities and equipment in federally inspected meat and poultry plants must be washed with an effective cleaning compound and rinsed with potable water after spraying. In the home, all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Remove pet birds, and cover fish aquariums before spraying.

First Aid

IF SWALLOWED: Call a physician or poison control center immediately. Because of aspiration potential, do not induce vomiting unless under direct medical supervision. Do not give anything by mouth to an unconscious person.

IF INHALED: Remove victim to fresh air. Apply artificial respiration if indicated.

IF ON SKIN: Remove contaminated clothing and wash affected areas with soap and water.

IF IN EYES: Flush eyes with plenty of water. Call a physician if irritation persists.

Environmental Hazards

This product is toxic to fish. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not apply directly to water.

Physical or Chemical Hazards

This formulation is combustible. Extinguish open flame before space spraying. **DO NOT USE, POUR, SPILL, OR STORE NEAR HEAT OR OPEN FLAME.**
