# Precautionary Statements <u>Hazards To Humans And Domestic Animals</u> CAUTION

Harmful if swallowed. Contains petroleum distillate. Do not induce vomiting because of aspiration pneumonia hazard. Avoid breathing vapors or spray mist. Wear a pesticide respirator jointly approved by the Mining Enforcement and Safety Administration and the National Institute for Occupational Safety and Health under the provisions of 30 CFR Part II. Avoid contact with skin or eyes. In case of contact, flush with plenty of water. Wash with soap and warm water after use. Obtain medical attention if irritation persists. Avoid contamination of food or feedstuffs.

Do not apply directly to processed food. Do not apply space spray while food processing is underway. All food processing surfaces and utensils should be covered during treatment or thoroughly cleaned before reuse. Food processing surfaces and utensils in Federally inspected meat and poultry plants must be washed with an effective cleaning compound followed by a potable water rinse after spraying.

Remove pets, birds, and cover fish aquariums before spraying.

### Environmental Hazards

This product is toxic to fish, birds and other wildlife. Do not apply directly to any body of water. Do no contaminate water when disposing of equipment washwaters.

### Physical Or Chemical Hazards

Do not use or store near heat or open flame.

Do not use this product in or on electrical equipment due to the possibility of shock hazard.

Mix well in drum before sampling and each use.

1

#### Directions For Use

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

General: This product is designed for use undiluted in mechanical sprayers which produce particles of aerosol size, such as the LECO or MICRO-GEN.

Note: When used in hospitals, patients should be removed prior to treatment. Ventilate for two hours after treatment. Do not return patients to room until after ventilation.

For Use In Homes, Restaurants, Food Processing Plants And Other Industrial Areas: Space Spray Undiluted: To kill Gnats, Houseflies, Mosquitoes and Small Flying Moths: Close room and shut off all air conditioning or ventilating equipment. Using a cold fog generator, apply at the rate of one-half (0.5) ounce per 1,000 cu. ft. of space. Direct output from aerosol generator upwards toward upper corners of room and ceiling. Leave room closed for one-half hour. Ventilate room thoroughly before reentry. Repeat as necessary.

Space Spray - Diluted For Ordinary Mechanical Fogging Equipment - To Kill Flies, Gnats, Mosquitoes And Small Flying Gnats: Cover or remove exposed food and food handling surfaces. Close room and shut off all air conditioning or ventilating equipment. Dilute Concentrate with oil at the rate of 1 part Concentrate plus 9 parts of oil and mix well. Apply at the rate of 50 fl. oz. of dilute spray (0.4 gal.) per 25,000 cu. ft. of space. Direct fog upward towards upper corners of room and ceiling area. Leave room closed for one-half hour. Do not remain in treated areas. Ventilate room thoroughly before reentry.

Contact Spray - Undiluted - To Kill Black Carpet Beetles, Cockroaches, Confused Flour Beetles, Indian Meal Moth Larvae, Rice Weevils and Sawtoothed Grain Beetles: Close room and shut off all air conditioning or ventilation equipment. Using a cold fog aerosol generator, direct discharge into areas suspected of harboring these pests. Special attention should be paid to cracks, hidden surfaces under sinks, behind stoves and refrigerators and wherever these pests are suspected of hiding. Spray until treated surfaces are moist with deposit. Leave room closed for one-half hour. Ventilate room thoroughly before reentry. Repeat as necessary.

Note: When using oil as the diluent, an odorless light petroleum hydrocarbon as defined by CFR Title 21, 172.884 should be used for all food area and food related applications. Additionally, when diluted and used according to label directions, this spray will meet specifications for use under USDA meat, poultry, shell egg grading, and egg products inspection program.

### STORAGE AND DISPOSAL

6 9 6

Do not contaminate water, food, or feed by storage or disposal.

Storage: Store in a cool, dry place. Keep container closed.

Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waster disposal facility.

Container Disposal: Triple rinse (or equivalent) and offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill or by other approved State and Local procedures.
