28 NOV 1983

Gentlemen:

Subject: Super Staph-Trolc 64
EPA Registration No. 5449-6
Submission Date October 12, 1983

The amendment referred to above, submitted in connection with registration under FIFRA sec. 3(c)(7)(A) is acceptable provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling:
 - a. Delete the number 5449-3 from the label. This is not your registration number. Your correct Registration Number is 5449-6.
 - b. Revise the word: Hazardous to read: Hazards (upper right panel).
 - c. Correct the spelling of the word: pentagrophytes (middle left panel).
 - d. Revise the word: Probably, to read: Probable (middle right panel).
 - e. The statement: Multiclean (center panel) may be misinterpreted as part of your product name. Revise accordingly.
3. Submit five (5) copies of your final print or labeling before you release the product for shipment.
