directions: **For use as a Space Deodorant and Air Sanitizer in closed places.** Remove cap. Direct Aerosol toward ceiling with nozzle away from you and press button in bursts of 2 seconds each in various parts of the room. Number of bursts will vary with the size of the room. Use sparingly. Do not fog the area

caution: KEEP AT ROOM TEMPERATURE. Contents under pressure. Exposure to direct rays of sun and other sources of heat such as stoves, radiators, hot water, etc. could cause bursting. Do not puncture container or throw into fire or incinerators. Do NOT spray directly on plastic or varnished surfaces.

caution: **KEEP OUT OF THE REACH OF CHILDREN.** Do not spray Hospray Room Deodorant-Air Sanitizer directly on skin. AVOID contamination of foods.

room deodorant

— and —

air sanitizer

Molecular deodorant attacks malodor at its source—odor suppressant for space odor conditioning and deodorizing surgical dressings.

8 oz. avdp. ANTIBACTERIAL — NON-SELECTIVE — ANTIFUNGAL

Hospray Room Deodorant Air Sanitizer is non-selective, and will suppress or eliminate odors by emulsifying and chemically neutralizing the particles and molecules or reducing the vapor tension of all odorants. Especially developed to suppress malodor without regard to physical or chemical properties of the odorant in hospitals, nursing homes, ambulances and wards. In homes, industrial plants processes, food processing and packaging, fishing boats, food stores, burnt out areas, etc. Hospray Room Deodorant - Air Sanitizer acts immediately and is effective for prolonged periods it does not substitute overpowering floral or masking odors and does not cause ANOSMIA (paralysis of olfactory receptors)

formula: Active Ingredients: Para-diisobutylphenoxyethoxyethyl di[illegible] benzyl ammonium chloride [illegible]% Triethylene glycol, [illegible]% Dipropylene glycol [illegible]% Isopropyl Alcohol, [illegible]% Methyl phydroxybenzoate [illegible]% Aerosol [illegible]%
