

FOR THE BATH ROOM

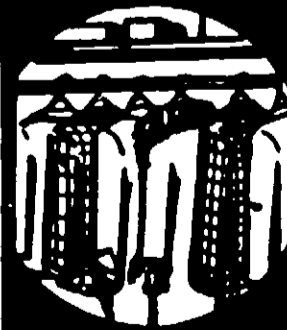

The metal hanger can be easily bent to hang on outside of flush tanks. When ready to use, remove cellophane wrapper.

garment bags

FOR MOTH CONTROL - Remove wrapper; clean or thoroughly brush garments for storage. Hang X-it bloc near top of storage space, as vapor works downward. Use one X-it bloc for each 15 cubic feet (approx. 2 ft. x 2 ft. x 4 ft.) of tightly confined space; keep tightly sealed for at least 7 days. Use additional X-it to allow for vapor lost if garments are removed or replaced.
