**KILLS MOTHS
FRESHENS CLOSETS
DEODORIZES ROOMS**

DIRECTIONS:

Puncture inner wrapper in several places along center of grove, and hang where needed.

MOTH CONTROL:

Clean garments first. Hang X-it Bloc near top of storage space. Use one X-it Bloc for each 100 cubic feet of tightly confined space. Keep tightly sealed for at least 7 days.

DEODORIZING:

These delicately perfumed blocs impart a refreshing fragrance in bathrooms, basements, closets, or any place where odors are a problem. Note: Vapors disappear rapidly from garments, upon exposure to air.
