FOR CLOTHES CLOSETS: Put crystals in cheese cloth bag or open flat container (use 4-oz. to each 5 cubic feet of space) and place at top of closet. Keep door closed. Replenish crystals as they evaporate.

FOR GARMENT BAGS: Place crystals in small cloth bag and hang in top of garment bag. Close air tight. Use 4-oz. to each 5 cubic feet of closely confined space.

FOR CHESTS OR DRAWERS: Dry-clean clothes to be stored. Sprinkle crystals through clothes and on top layer after they are packed away. Use 4-oz. of crystals to each 5 cubic feet. Close container air-tight.

TO STORE RUGS: Sprinkle thoroughly with crystals. Roll rugs tight and wrap in heavy paper, sealing ends air-tight.

FOR UPHOLSTERED FURNITURE: Sprinkle thoroughly with crystals and cover with newspapers. Leave 72 hours in closed room to assure killing all worms (larvae).

NOTE: Moths develop in 8 or 9 days. Be sure to kill all moths which may have developed since first application; also use crystals promptly as directed to kill eggs or larvae before others hatch.
