

Under "If On Skin," revise as follows:

Remove contaminated clothing and wash affected areas immediately with soap and water.

4. Change "Harmful if swallowed" to "Harmful if swallowed, inhaled or absorbed through skin."
5. Under "To operate," correct the typo in the word "surfaces." Similarly change "uc" to "use" as follows:

It is a violation of Federal law to use this product

The revised Confidential Statement of Formula dated August 23, 1989 is acceptable and has been made a part of the record for this product.

Submit five (5) copies of your final printed labeling before you release the product for shipment.

A stamped copy of the labeling is enclosed for your records.

Sincerely yours,

George T. LaFocca
