City of Commerce, CA 90040

Dear Ms. Smith:

Subject: Response to Dipropyl Isocinchomeronate DCI
Alco Parade Pressurized
EPA Registration Number 5481-52
Submission Dated September 20, 1994

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below:

1. Move the Storage and Disposal instructions to the end of the Directions for Use section.
2. Group the Precautionary Statements with the Statements of Practical Treatment.
3. Revise the Physical or Chemical Hazards statement to read as follows:

"Flammable. Contents under pressure. Keep away from heat, sparks, and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Do not use this product in or on electrical equipment due to the possibility of shock hazard."

You are reminded of the requirement to submit storage stability data on this formulation. Consult the Agency's letters dated September 12, 1990, and April 16, 1991, for additional information.

A stamped copy of the label is enclosed for your records. Submit 3 copies of final printed labeling prior to releasing product for shipment.

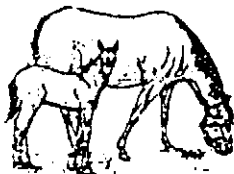

If you have any questions or comments, please contact me at
(703) 305-6788.

Sincerely,

RPK

Richard P. Keigwin, Jr.

STATEMENT OF PRACTICAL TREATMENT
IF SWALLOWED: Call a physician or Poison Control Center immediately. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person. **IF INHALED:** Remove victim to fresh air. Apply artificial respiration if indicated. **IF IN EYES:** Flush eyes with plenty of water. Get medical attention. **IF ON SKIN:** In case of contact wash immediately with soap and water.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For use on horses (not for human consumption) hold container in upright position 12-16 inches away from animal, pointing valve opening toward animal. Release spray by pressing valve down.

Spray in a zigzag motion so as to lightly and evenly dampen animal's coat. Spray all areas especially legs and under belly for best results. **For Face Flies,** spray to slightly dampen animal's face. Do not apply more than one ounce per animal. Repeat as required. Horses can be worked or ridden immediately after use. Avoid spraying directly in animal's eyes.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed. Do not breathe spray mist. Do not get in eyes or on skin. Do not contaminate feed or foodstuffs. Do not use on beef or dairy cattle or horses intended for human consumption.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Keep out of any body of water. Use this product only as specified on this label.

PHYSICAL AND CHEMICAL HAZARDS

Do not store this container at temperatures above 130°F. Do not puncture container, or place on stove or in fire as container may burst.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. **STORAGE:** Store product in its original labeled container in a cool, dry, locked place out of reach of children. **DISPOSAL:** Replace cap and discard container in trash. Do not incinerate or puncture.
