Use in and around: Homes, Kitchens, Restaurants, Bakeries, Markets, Stores, Warehouses, Utility rooms, Locker rooms, Canneries, Food Processing Plants, Bottling Plants, Box Cars, Dairies, Creameries, Stables, Barns, wherever foodstuffs or food products are stored or handled.

ALCO PYRETHRIN 101 CONCENTRATE: A concentrate spray for dilution with either water or deodorized base oil.

READ ENTIRE LABEL. USE STRICTLY IN ACCORDANCE WITH LABEL CAUTIONS AND DIRECTIONS.

DIRECTIONS

For best results, electric power sprayers of 1/2 to 1 H.P. such as Microsol or Challenger are recommended. Hand or tank type compressed air sprayers are suitable for use on small areas.

Certain types of fogging or aerosol devices require the use of base oil only and should not be used with water. Dilute with water or spray base oil as indicated.
