

5481-97
01/03/1979

ACCEPTED
JAN 3 1979
Under the Federal Insecticide,
Fungicide, and Rodenticide Act,
as amended, for the pesticide
registered under
EPA Reg. No. 5481-97

USE ONLY AS DIRECTED.
READ ENTIRE LABEL BEFORE USING.

NOTE 1) Effectiveness may be improved by wetting the area in which snails are to be controlled.

NOTE 2) When Snail Jail is full, dump dead snails in trash and use again. Repeat until effectiveness diminishes.

WARNING: May be fatal if swallowed. Do not take internally. Harmful dust. Avoid breathing dust and vapor. Avoid contact with skin, eyes and clothing. Do not contaminate or store near feed or foodstuff. Wash after handling. Granules should be spread in such a way that children, pets or farm animals cannot reach them. Birds feeding in treated areas may be killed. Do not store in direct sunlight. Do not re-use empty container. Wrap container and put in trash collection.

NOTICE: This product conforms to its chemical description and is reasonably fit for the purpose stated on the label, when used in accordance with directions under normal conditions of use. Manufacturer is not responsible for the use of this product contrary to the label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use.

0377

Snail, Slug and Sowbug Killer with Sevin* and Metaldenhyde will give good control of Snails, Slugs, Ants, Earwigs and Sowbugs.

DIRECTIONS FOR USE

Place in a shady area where snails and slugs are a problem. Grasp tab and rotate band in direction of arrow until it stops. Remove the anchor spike, place the Snail Jail on ground, and push the spike down thru the middle of the Snail Jail and into the ground. To activate, fill the top cup with water. Refill at least once per week to keep it active.
