PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING: May be fatal if swallowed. Do not take internally. Harmful dust. Avoid breathing dust or vapor. Avoid contact with skin, eyes, and clothing. Do not contaminate feed or food. Wash thoroughly after handling and before eating. Keep children and pets out of treated area.

Statement of Practical Treatment: If swallowed, administer warm water freely and induce vomiting by use of an emetic or by sticking finger down throat. Repeat until professional medical assistance has been secured. If on skin, wash skin immediately with plenty of soap and water. If in eyes, rinse eyes with plenty of water for at least 15 minutes. Get medical attention if irritation persists. If inhaled, remove affected person to fresh air. Seek medical attention if symptoms of poisoning are present.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to aquatic organisms, birds and other wildlife. Keep out of lakes, streams, or ponds. Birds and wildlife feeding on treated bait may be killed.

This pesticide is highly toxic to bees. Protective information may be obtained through your Agricultural Extension Service.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read entire label before using.

Water area to be treated thoroughly prior to applications, then withhold water for 48 hours after application.

Can be applied any time during the day, but late afternoon or evening is recommended. Apply by simply shaking the proper amount of material from the convenient shaker can.

For the control of SNAILS and SLUGS on ornamental gardens, planted borders, ground covers, dichondra lawns and turf lawns, use at the rate of 1 lb. to 1500 sq. ft. of area.

Apply over the infested area, around the edges of borders or ground cover plants, around the bases of fences and walls and in shady protected areas. Repeat treatment as necessary.

For the control of ANTS, EARWIGS, FALL ARMYWORMS, SOD WEBWORMS (LAWN MOTHS) and SOWBUGS on ornamental gardens, planted borders, ground covers, dichondra lawns and turf lawns, use at the rate of 1 lb. to 250 sq. ft. of area. Apply as indicated above. Repeat as necessary.

STORAGE AND DISPOSAL

STORAGE: Keep out of reach of children. Do not store in direct sunlight.

DISPOSAL: Do not reuse empty container. Wrap container and put in trash collection.

NOTICE: This product conforms to its chemical description and is reasonably fit for the purpose stated on the label, when used in accordance with directions under normal conditions of use. Manufacturer is not responsible for the use of this product contrary to the label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use.

NOTE: This package is sold by weight when packed, but due to its granular nature the material is inclined to settle.
