Amvac Chemical Corporation
c/o H.R. McLane, Inc.
7210 Red Road, Suite 206
Miami, FL 33143-5321

Gentleman:

Subject: Revised Labeling
Fruit Fix Concentrate 200
EPA Registration No. 5481-129
Fruit Fix Super Concentrate
EPA Registration No. 5481-130
Your Submissions Dated September 30, 1991

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended is acceptable provided that you:

1. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling:

- In the environmental hazards section update the statements to read:

Do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high water mark.

2. Submit one (1) copy of your final printed labeling before you release the product for shipment.

A stamped copy of the labeling is enclosed for your records.

Sincerely yours,

C. Giles-Parker

ACCEPTED
with COMMENTS
In EPA Letter Dated:

OCT 10 1991

Under the Federal Insecticide
Fungicide, and Rodenticide Act
as amended, for the pesticide
registered under EPA Reg. No.

5481-129

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: May be harmful if swallowed, inhaled or absorbed through the skin or clothing. In case of eye contact, immediately flush eyes with plenty of water. Irritation persists. Wash thoroughly after handling. Remove and wash contaminated clothing.

RE-ENTRY AND WORKER SAFETY STATEMENTS

Do not apply this product in such a manner as to directly or through drift contact persons, animals, or crops. The area being treated must be vacated by unprotected persons. Do not wear protective clothing until sprays have dried. Because certain states may require protective clothing for various crops treated with this product, consult your State Department of Agriculture. Written or oral warnings must be given to workers who are expected to be in the treated area. When oral warnings are given, warnings must be customarily understood by workers. Written and oral warnings must include the following: CAUTION: Area treated with Fruit Fix CONCENTRATE 200 on (Date) _____. Do not enter the treated area without protective clothing until sprays have dried. In case of accidental exposure, immediately wash with plenty of water. Statements found on this product label. Oral warnings must be given if there are no written warnings cannot be understood by workers.

ENVIRONMENTAL HAZARDS

Do not apply directly to any body of water. Do not contaminate water, streams, or washwaters. Avoid drift of spray vapors.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in manner inconsistent with the directions on this product through any type of irrigation system. 2
