Miami, FL 33143-5321

Gentleman:

Subject: Revised Labeling
Fruit Fix Concentrate 200
EPA Registration No. 5481-129
Fruit Fix Super Concentrate
EPA Registration No. 5481-130
Your Submissions Dated September 30, 1991

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended is acceptable provided that you:

1. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling:

- In the environmental hazards section update the statements to read:

Do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high water mark.

2. Submit one (1) copy of your final printed labeling before you release the product for shipment.

-2-

A stamped copy of the labeling is enclosed for your records.

Sincerely yours,

C. L. Giles-Parker

RE-ENTRY AND WORKER SAFETY STATEMENT

Do not apply this product in such a manner as to directly or through drift expose workers or other persons. The area being treated must be vacated by unprotected persons. Do not enter treated areas without protective clothing until sprays have dried. Because certain crops may require more restrictive re-entry intervals for various crops treated with this product, consult your State Department of Agriculture for further information. Warning or oral warnings must be given to workers who are expected to be in treated areas or to an area about to be treated with this product. When oral warnings are given, warnings shall be given in a language customarily understood by workers. Written and oral warnings must include the following information. **CAUTION:** Area treated with Fruit Fix Super CONCENTRATE 800 on (Date) Do not enter without appropriate protective clothing until sprays have dried. In case of accidental exposure, refer to the Precautionary Statements found on this product label. Oral warnings must be given if there is reason to believe that written warnings cannot be understood by workers.

ENVIRONMENTAL HAZARDS

Do not apply directly to any body of water. Do not contaminate water when disposing of equipment washwaters. Avoid drift of spray vapors.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in manner inconsistent with the labeling. Do not apply in any type of irrigation system.

Do not contaminate water in a way that may result in the release of PESTICIDES or other pollutants into streams, rivers, lakes, or other bodies of water. Do not apply to areas where runoff is likely to occur. Do not apply to areas where runoff is likely to occur.

DIRECTIONS FOR USE

For best results, at intervals, spray trees with CONCENTRATE 800 until leaves are thoroughly wet. Do not spray during bloom periods. **NOTICE:** This label, when used, is responsible for the under conditions of risk of any such use.

ACCEPTED
