PRECAUTIONARY STATEMENTS

Hazardous to humans (and domestic animals).

- Do not take internally
- Do not get in eyes.
- Do not get on skin
- Keep away from pits.

Caution: May be harmful if swallowed, inhaled, or absorbed through skin. Do not get in eyes, on skin or on clothing. Wash thoroughly with soap and warm water after handling.

ENVIRONMENTAL HAZARDS

Do not use on tomatoes grown for seed. Do not spray flower beds, vegetable, or ornamental plantings. Avoid drift of spray vapors as this product may injure nearby susceptible plants. Do not contaminate water by cleaning of equipment or disposal of wastes. Keep out of lakes, streams and ponds.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not apply this product through any type of irrigation system.

STORAGE AND DISPOSAL

Storage: Store out of reach of children and domestic animals. Do not store near or transport with fertilizers, insecticides, fungicides or acids. Do not store in direct sunlight.

Disposal: Do not re-use empty container. Triple rinse (or equivalent) and dispose of in an approved landfill or bury in a safe place. Consult Federal, State, or local disposal authorities for approved alternative procedures.

TOMATO FIX

CONCENTRATE

A HORMONE-LIKE BLOOM-SET

ACTIVE INGREDIENT:		
Para-Chlorophenoxyacetic Acid as the Disobutylamine Salt	2.0%	
INERT INGREDIENTS	98.0%	
		Total 100.0%

*Equivalent to Para-Chlorophenoxyacetic Acid, 1.3%.

KEEP OUT OF REACH OF CHILDREN

CAUTION

See side panel for additional precautionary statements.

ACCEPTED

OCT 23 1967

Under the Federal Insecticide, Fungicide, and Rodenticide Act as amended, for the pesticide registered under EPA Reg. No. 5481-142

ALCO TOMATO FIX aids in the production of larger tomato crops and earlier crop harvest.

Directions: Use 1 fl. oz. (2.95%) per 2 gallons of water. This makes a solution of 50 ppm of para-chlorophenoxyacetic acid. Apply as a direct fine spray to blossom clusters when the majority of flowers in the cluster are open. Do not apply directly to leaves or fruit. Do not spray individual clusters more than once. Do not make more than five applications per season. Spray clusters very lightly for best results.

NOTICE: This product conforms to its chemical description and is reasonably fit for the purpose stated on the label, when used in accordance with directions under normal conditions of use. Manufacturer is not responsible for the use of this product contrary to the label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use.
