PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION: Harmful if swallowed. Avoid breathing vapor or spray mist. Avoid contact with skin, eyes, or clothing. Wash thoroughly after handling.
ENVIRONMENTAL HAZARDS
 This product is toxic to fish and birds. Keep out of any body of water. Do not contaminate water when disposing of equipment washwaters.
PHYSICAL AND CHEMICAL HAZARDS
 Do not use, pour, spill or store near heat or open flame.

DIRECTIONS FOR USE
 It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Do not apply this product through any type of irrigation system.

STORAGE AND DISPOSAL
 Do not contaminate water, food or feed by storage or disposal.
STORAGE: Store product in its original labeled container in a cool, dry, locked place out of reach of children. If product is exposed to temperatures below 40 degrees, warm to 80 degrees and mix well before use. **PESTICIDE DISPOSAL:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. **CONTAINER DISPOSAL:** Glass - Triple rinse (or equivalent). Then dispose of in a sanitary landfill or by other approved State and local procedures. Metal - Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by State and local authorities.

FOR USE IN THE GREENHOUSE
 Select a suitable pump or pressure sprayer and apply as a CONTACT SPRAY for infestations of Whiteflies on Begonia, Fuchsia, Salvia, Poinsettia, Chrysanthemum, Coleus, Geraniums, Ageratum, Petunia, Aster, Calendula, Marigold, Roses, Azalea, Ivy or other infested ornamental plants known to be tolerant to sprays of SBP-1382. Do not use on any food crops. Mix 1 pint per 100 gallons of water (equiv. to 1 teaspoonful per 1 gallon) and spray upper and lower surfaces of plant foliage to point of runoff.
 Spray in late afternoon or at night when temperatures are in the range of 50° to 72°. Repeat applications weekly for four weeks; or longer, for control of the various growth stages of whitefly such as adults, pupae and/or nymphs. Complete all spray treatments on Poinsettias before bracts (blooms) form. When fewer applications are preferred (1 or 2), increase the rate to 1 quart SBP-1382-2 E.C. in 100 gallons of water (equiv. to 2 teaspoonfuls per 1 gallon). Apply this rate in the same manner as the 1 pint rate. Repeat treatment as needed.

NON-THERMAL "MIST GENERATOR" APPLICATORS
 Close off greenhouse area to be treated for whitefly infestations. Post signs that greenhouse is being treated with an insecticide. Start at the farthest end of house and apply while walking backwards to the exit. Direct spray mist first, toward upper corners of the greenhouse, then apply evenly throughout the area. Keep nozzle at least 3 feet from plant foliage. (continued on next panel).

SBP-1382-2 E.C.

Contains 2 pounds SBP-1382 per gallon
 A synthetic Pyrethroid

FOR THE GREENHOUSE
 Control of White Fly on Ornamental Plants

FOR HOUSEHOLD PESTS
 Controls Roaches, Flies, Mosquitoes and Gnats in Warehouses, Food Processing Plants, Business Offices and Industrial Plants.

ACTIVE INGREDIENT:	
Permethrin*	24.30%
INERT INGREDIENTS:**	75.70%
	Total 100.00%

*cis/trans isomers ratio; max. 30% (+/-) cis and min. 70% (+/-) trans.
 **Contains Petroleum Hydrocarbon Solvent.

KEEP OUT OF REACH OF CHILDREN
CAUTION

"PRECAUCION AL USUARIO: Si usted no lee ingles, no use este producto hasta que la etiqueta haya sido explicado ampliamente"

Statements of Practical Treatment

IF SWALLOWED: Call a physician or Poison Control Center immediately. Do not induce vomiting. Vomiting may cause aspiration pneumonia. Gastric lavage indicated if swallowed. Do not induce vomiting or give anything by mouth to unconscious or convulsing person. **IF INHALED:** Remove victim to fresh air. Artificial Respiration if indicated. **IF IN EYES:** Flush eyes with plenty of water. If irritation persists get medical attention. **IF ON SKIN:** Wash affected area with soap and water. Get medical attention if irritation persists.

See Side Panels for Additional Precautionary Statements.
