DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For best results, thoroughly water area to be treated 12 to 24 hours prior to application. Sprinkle 1 pound of granules uniformly over 1,000 square feet of area. Do not place granules in piles. Scatter bait so it is hardly visible on the ground. When making applications, special attention should be given to treating areas around plant beds, under greenhouse benches, on dichondra and around building foundations. On small or narrow beds, apply material on bed perimeters. Evening application gives most effective control. The effective life of the granules can be increased if watering is avoided for as long as possible after application. Repeat applications as necessary to keep areas free of slugs and snails. Do not use on plants grown for food.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: May be harmful if swallowed, inhaled or absorbed through the skin. Do not get in eyes, on skin or on clothing. Wash thoroughly with soap and warm water after handling. Wash contaminated clothing with soap and hot water before re-use. Do not contaminate feed or food. **IF SWALLOWED—**Call a physician or Poison Control Center immediately. Induce vomiting by giving victim one or two glasses of water and touching the back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person. **NOTE TO PHYSICIAN:** Atropine Sulphate is antidotal.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and wildlife. Keep out of lakes, streams or ponds. Birds feeding on treated areas may be killed. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

STORAGE & DISPOSAL

Do not contaminate water, food or feed by storage or disposal. **STORAGE:** Store in original container in a cool, dry, locked place out of reach of children. **PESTICIDE DISPOSAL:** Wastes resulting from the use of this product may be disposed of on site or at an approved wastes disposal facility. **CONTAINER DISPOSAL:** Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or, if allowed by State and local authorities, by burning. If burned stay out of smoke.

NOTICE: This product conforms to its chemical description and is reasonably fit for the purpose stated on the label, when used in accordance with directions under normal conditions or use. Manufacturer is not responsible for the use of this product contrary to the label instructions, or under abnormal conditions or under conditions not reasonably foreseeable to the manufacturer and/or seller, and buyer assumes the risk of any such use.
