PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful is swallowed. Avoid breathing vapor or spray mist. Avoid contact with skin. Wash thoroughly after handling and before eating or smoking. Wash contaminated clothing before re-use. Do not contaminate food or feed. NOTE TO PHYSICIAN: Malathion may cause cholinesterase inhibition. Atropine is antidotal.

RE-ENTRY AND FARM WORKER SAFETY STATEMENT

Do not apply this product in such a manner as to directly or through drift expose workers or other persons. The area being treated must be vacated by unprotected persons... Do not enter treated grain until dust has settled unless appropriate protective clothing is worn. Written or oral warnings must be given to workers who are expected to be in treated areas or in an area to be treated with this product. When oral warnings are given , warnings shall be given in a language customarily understood by workers. Written warnings must include the following information: CAUTION: Area treated with STORED GRAIN DUST M-1 on (Date). Do not enter treated grain without appropriate clothing until dusts have settled. In case of accidental exposure refer to STATEMENTS OF PRACTICAL TREATMENT or other Precautionary Statements on this product label. Apply this product only as specified on this label.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish, aquatic invertebrates and aquatic life stages of amphibians. Do not apply directly to water or wetlands (i.e., swamps, bogs, marshes, and potholes). Drift and runoff may be hazardous to aquatic organisms in areas near the application site. Do not contaminate water when disposing of equipment washwaters.

This product is highly toxic to bees exposed to direct treatment on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds if bees are visiting the treatment area.

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. STORAGE: Store product in its original labeled container in a cool, dry, locked place out of reach of children. PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved wastes disposal facility. CONTAINER DISPOSAL: Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or, if allowed by State and local authorities, by burning. If burned stay of our smoke.

STORED GRAINS: (Corn, Oats, Wheat, Rice, Rye, Barley, Grain Sorghum, Field or Garden Seeds) - Against such insects as Rice Weevil, Indian Meal Moth, Confused Flour Beetle, Granary Weevil, Saw-Toothed Grain Beetle, Flat Grain Beetle, and Red Flour Beetle. Use at the rate of 60 lbs. per 1,000 bushels (6 lbs. per 100 bushels). Mix thoroughly and evenly as the grain or seed is being loaded or turned into storage.

INDIAN MEAL MOTH - To protect stored grain, apply evenly to the surface of clean or uninfested grain at the rate of 30 lbs. per 1000 Sq.ft. of grain surface area. (3 lbs. per 100 Sq.Ft.) Apply immediately after loading into storage. Repeat if necessary.

NOTICE: This product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use. Manufacturer is not responsible for the use of this product contrary to the label instructions, or under abnormal conditions, or under conditions not reasonably preseeable to the manufacturer and/or seller, and buyer assumes the risk of any such use.
