Net Weight 2.8 Ounces (79.4 Grams)

DO NOT OPEN UNTIL READY TO USE.
Controls Flies, Mosquitoes, Gnats, & other Small Flying Insects
Use in Homes, Cabins, Campers, Garages,
Trailers, Basements, and Apartments

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with label directions.

To control Flies, Mosquitoes, Gnats, and other Small Flying Insects, and for the control of Silverfish, place one Vaporette Insect Strip per average room (10 x 12 x 8 feet) 1, enclosed area. Normally, this is effective for 4 months. If more than one strip is used, distribute them equally over area to be treated. Weather and other conditions, such as drafts may alter the performance. Replace strips if effectiveness diminishes. For the control of Flies in garbage cans, attach one Vaporette Insect Strip inside an average size garbage can (gallon size). One unit will be effective for the entire fly season (keep lid on garbage can).

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

CAUTION: Do not get in mouth. Harmful if swallowed. After prolonged storage, a small amount of liquid may form on strip. Do not get liquid in eyes. Wash hands thoroughly with water after handling strip. Do not place in hospitals or clinic rooms, such as patient rooms, nurseries, operating or emergency areas. Do not use in any rooms where in sick or aged are, or will be present for any extended period of confinement. Do not use in kitchens, restaurants, or areas where food is prepared or served. Not to be taken by humans or animals. Do not use in edible product areas of food processing plants.

STORAGE AND DISPOSAL

Store product in its original unopened container, in a cool, locked place, out of reach of children. Do not reuse container or used strip. Wrap and put in trash.

GUARANTEE: If you are not completely satisfied with this product as claimed, return it to the address below for full refund. (Name Change Notif. Amd. 07-10-80)
