PRECAUTIONARY STATEMENT

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: May be fatal if swallowed, inhaled or absorbed through the skin, nose, throat and skin. Avoid breathing vapors. Do not get in eyes, on skin or clothing. If contact, immediately remove contaminated clothing, see Statements of Labeling. Wash and dry clothing before reuse. When working in enclosed areas, use a respirator of a type passed by MSHA or NIOSH for protection against Metam Sodium.

STATEMENT OF PRACTICAL TREATMENT

Immediately start the procedures below and contact a Poison Control Center or the nearest hospital. Describe the type and extent of exposure, the victim's age, weight, and the advice given.

IF SWALLOWED: Immediately flush skin with large amounts of running water for at least 15 minutes while removing contaminated clothing and shoes. Get medical attention immediately.

EYES: Immediately flush eyes with large amounts of water for at least 15 minutes apart to ensure rinsing of the entire surface of the eye and lids with water. Get medical attention immediately. **IF INHALED:** Remove to fresh air. If not breathing, clear airway and start mouth to mouth artificial respiration. If breathing is difficult, give oxygen with a physician's advice. Get medical attention immediately. **IF SWALLOWED:** Give several glasses of water but do not induce vomiting. If vomiting occurs, have a physician determine if condition of patient will permit induction of vomiting. Do not give anything by mouth to an unconscious person.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not apply directly to water, to areas where fish are present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters.

DIRECTIONS FOR USE It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. **STORAGE:** Store in a cool, dry, locked place out of reach of children. Do not store below 0° F. at lower temperatures. If exposed, warm or store at higher temperatures to melt crystals and assure uniformity before use. **PESTICIDE DISPOSAL:** Pesticide not for use. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of according to label instructions, contact your nearest Pesticide or Environmental Control Agency, or the Hazardous Waste Fund, or nearest EPA regional office for guidance. **CONTAINER DISPOSAL:** (Metal containers) equivalent. Then offer for recycling or reconditioning, or puncture and dispose in a sanitary landfill, or by other procedures approved by State and local authorities. (Plastic containers) equivalent. Puncture and dispose of in a sanitary landfill, or by incineration, or other procedures approved by State and local authorities by burning. If burned stay out of smoke.

NOTICE: This product conforms to its chemical description and is for use as stated on the label, when used in accordance with directions and instructions. Manufacturer is not responsible for the use of this product under conditions, or under abnormal conditions, or under conditions not recommended on the label, or under conditions not recommended by the manufacturer and/or seller and the buyer assumes the risk of any such use.
