EPA Reg. No. 5481-420
Metam Alliance's Request on Your Behalf to Amend Label

Dear Mr. Chart:

In the Agency letter of July 13, 2010, the Agency further amended the April 30, 2010 letter and label stamped "Accepted with Comments". This letter further amends the July 13, 2010 letter by revising the label comments.

1. (Label p.7) (EPA Comment 7-b) (Alliance issue # 3)

Replace EPA's comment with this text:

- Move the following statement from directly above the Agricultural Use box to the Directions for Use section on page 3: *"Do not apply this product in a way that will contact workers or other persons, either directly or through drift."*

The label associated with these changes has been previously stamped "Accepted with Comments" and is dated April 30, 2010. Submit one copy of the final printed label that incorporates the required changes before the product is released for shipment. If you have any questions, please contact Cathryn O'Connell by phone at (703) 308-0136 or via email at occonnell.cathryn@epa.gov or Erik Kraft by phone at (703)308-9358 or via email at kraft.erik@epa.gov.

Sincerely,
