Subject: Label Amendments  
EPA Registration Nos. 5481-431, 5481-432 and 5481-433  
Your Submission Dated September 9, 1991

Dear Mr. McLane:

The labeling referred to above, submitted in connection with registration under FIFRA, as amended, is acceptable. A stamped copy of each label is enclosed for your records. Regarding the label for EPA Reg. No. 5481-433, you did not insert "Do not contaminate water, food or feed by storage or disposal" as required by our letter of 9/5/91. Please provide this office with three (3) copies of each of your final printed labels. The abovementioned statement must appear on the finished printed label prior to releasing the product for shipment.

Sincerely Yours,

*Jus*  
for Cynthia Giles-Parker  
Product Manager (22)  
Fungicide-Herbicide Branch

### PRECAUTIONARY STATEMENTS

#### HAZARDS TO HUMANS AND DOMESTIC ANIMALS

**DANGER:** Corrosive. Causes irreversible eye damage. Wear safety goggles when handling. Harmful if swallowed. Avoid contact with skin and eyes.

#### STATEMENT OF PRACTICAL TREATMENT

In case of eye contact flood eyes immediately with plenty of water for at least 15 minutes and get medical attention. If swallowed, call a doctor or poison control center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person. In case of skin contact, flush with plenty of soap and water.

#### ENVIRONMENTAL HAZARDS

Do not discharge into lakes, streams, ponds or public water unless in accordance with NPDES permit. For guidance contact your regional office of the EPA

**NOTICE:** This product conforms to its chemical description and is reasonably fit for the purpose stated on the label, when used in accordance with directions under normal conditions of use. Manufacturer is not responsible for the use of this product contrary to the label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to the manufacturer and/or seller and the buyer assumes the risk of any such use. (09-09-91 EPA revision of 05-01-91 version).

### INSTRUCTIONS FOR FORMULATION

It is a violation of Federal law to use this product in a manner inconsistent with its label. This product may be used only for the formulation of a plant growth regulator for application to pineapples. Formulation of a plant growth regulator is prohibited for use on pineapples. Formulator is responsible for obtaining EPA registrations for their formulated product.

### STORAGE AND DISPOSAL

Avoid contact with other pesticides, seeds, fertilizers or feed stuffs. Do not use container in which you have handled or will handle other agricultural chemicals. Do not contaminate water, food, or feed by storage or disposal. Pesticide wastes are acutely hazardous. Improper disposal of excess material is a violation of Federal law. If these wastes cannot be disposed of in accordance with the instructions, contact your State Pesticide or Environmental Control Agency or the nearest EPA representative at the nearest EPA Regional Office for guidance.

Completely empty liner by shaking and tapping sides and bottom to dislodge residue into equipment. Then dispose of liner in a sanitary landfill or incinerate and local authorities. If drum is contaminated and cannot be reused, contact your State Pesticide or Environmental Control Agency or the nearest EPA representative at the nearest EPA Regional Office for guidance.
