Notice of Correction: Agency Approval Letter Dated December 23, 2011

Dear Mr. Davis:

The subject Agency Approval letter was stamped "Accepted with Comments" with the condition that specific label revisions be made. This subsequent letter hereby further amends the subject by adding the following revisions:

1. Disregard revision number 1 of the December 23, 2011 approval letter. Instead, on page 2 of the label, under "Directions for Use," below "Only for formulation into a fumigant for the following use(s):" add the following text: "Fumigant solutions for the control of decay and insects in wood or wood products; antimicrobial agents; and products to control roots and fungi in sewers. Fumigant solutions for the control of weeds, fungi and nematodes in soil of the following crops:"
2. On page 2, under "Directions for Use," replace "[Name of Product]" with "end-use product."
3. On page 3, in the Contents of Sign, delete "Metam-sodium and."

Submit one copy of the final printed label that incorporates the aforementioned deletion request before the product is released for shipment. Please ensure labeling requirements are met as outlined in 40 CFR Part 156. If you have any questions, please contact Jose Gayoso by phone at

(703) 347-8652 or via email at gayoso.jose@epa.gov, or Marcel Howard by phone at (703)305-6784 or via email at howard.marcel@epa.gov.
