STOP! READ ENTIRE LABEL BEFORE USE

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Remove *pre-assembled* SMALL PEST STRIP from sealed bag when ready to use. SMALL PEST STRIP can only be used to treat articles that are placed in the bag which accompanies the strip.

Hazards to Humans and Domestic Animals

CAUTION: Do not get in mouth. Harmful if swallowed. After prolonged storage, a small amount of liquid may form on strip. Do not get liquid in eyes. Wash hands thoroughly with soap and water after handling strip. Do not use in hospitals or clinic rooms, such as patient rooms, wards, nurseries, operating or emergency areas. Do not use in closets and wardrobes of rooms where infants, children and the sick or aged are or will be present for any extended period of confinement. Do not use in kitchens (except cupboards), restaurants or areas where food is prepared or served. Do not use in any area where people will be present for extended periods of time. Not to be taken internally by humans or animals.

For Treatment of Bedbugs and Bedbug Eggs

Pest strip [product name] may be used to treat crawling bedbug nymphs, adults and eggs exposed to product vapors. Use Pest strips [product name] to treat bedbugs that are in household items including, but not limited to: [electronics], [appliances], [footwear], [art work], [collectibles], [clocks], [radios], [wall hangings], [telephones], [computers], [printers], [mattresses], [box springs], [luggage], [books],[lamps], [furniture], [clothes] and other such items which can be placed in the bag included with the pest strip..

To Treat Mattress and Box Spring:

Place mattress and/or box spring inside [large] [king size] plastic bag. Make sure bag can be sealed with mattress inside. Insert 1 [one] bedbug pest strip in bag. [Gather open end of bag together and twist several times to seal in contents. Secure twisted bag end with included plastic bands to ensure bag remains sealed for duration of treatment.] [Fold open top end of bag several times to seal in contents. Secure folded bag end with included adhesive strips to ensure bag remains sealed for duration of treatment]. It is important to leave air space within the treatment bag to enhance the exposure to the product vapors.

[Mattress box spring can be treated in an additional bag following the same mattress instructions.] Do not sleep or lay on mattress while in treatment bag

To Treat Luggage or other household items:

Unzip and open all luggage compartments so air can freely circulate. Place luggage or other household items in treatment bag with one bedbug pest strip. [Gather open end of bag together and twist several times to seal in contents. Secure twisted bag end with included plastic bands to ensure bag remains sealed for duration of treatment.] [Fold open top end of bag several times to seal in contents. Secure folded bag end with included adhesive strips to ensure bag remains sealed for duration of treatment]. It is important to leave air space within the treatment bag to enhance the exposure to the product vapors.

Treatment:

To kill bedbug nymphs and adults, treat mattress or box spring and luggage or other household items in sealed bag for a minimum of 48 hours.

To kill bedbug eggs, treat mattress or box spring and luggage or other household items in sealed bag for a minimum of 7 days.

When treatment is complete:

Remove treated items from bag and let air out in a well ventilated area for no less than 2 hours. Discard plastic treatment bag and used bedbug pest strip in trash.

It is also recommended that you utilize a direct spray product registered by the USEPA for application to other areas of the room that may harbor Bedbugs, such as [Evercide Total Release Aerosol 2614], [Chemsico Home Insect Control C], [Multicide Lice & Dust Mite Spray 27911], [Chemsico Aerosol Insecticide PP].

STORAGE AND DISPOSAL

Storage: Do not contaminate water, food or feed by storage or disposal. Do not open or remove from package before ready to install. Store in a cool dry place. **Disposal:** Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available. Never place unused product down any indoor or outdoor drain.

Proposition 65: [Warning] [Notice]: This product contains a chemical known to the State of California to cause cancer. [OPTIONAL FOR USE IN CALIFORNIA]

*If you are not satisfied with this product for any reason send your written request for a refund to the address below, together with the dated store receipt showing the price you paid. Please allow 6-8 weeks for processing

NOTICE: To the extent consistent with applicable law, buyer assumes all responsibility for safety and use not in accordance with directions.
