	Total	

**CAUTION: KEEP OUT OF REACH OF CHILDREN  
SEE BACK PANEL FOR ADDITIONAL CAUTIONS  
NET CONTENTS: 32 FL. OZ. (1 Quart)**

### GRO-WELL 46% CHLORDANE

GRO-WELL 46% CHLORDANE may be mixed with water and applied with any sprayer attached to a hose, such as the GRO-WELL LAWN SPRAYER or with a watering can. Read directions before using.

**LAWN INSECTS:** Apply 16 tsp. (2-2/3 oz.) of GRO-WELL CHLORDANE in a solution of 3 to 5 gallons of water to 1,000 sq. ft. (50' x 20') of lawn area for the control of JAP BEETLE GRUBS, EARWIGS, CHINCH BUGS, ANTS, SOD WEBWORMS, LAWN MOTHS, CHIGGERS, MOLE CRICKETS and WHITE GRUBS. For SUB-SURFACE INSECTS water in thoroughly after application. For SURFACE feeding insects water lawn thoroughly before treatment and not for 3 or 4 days thereafter. When using for and as a prevention against SURFACE insects it is advisable to repeat this treatment each year at one-half the rate given above following SURFACE INSECT watering instructions.

Where both SURFACE and SUB-SURFACE insects are to be controlled wait 24-48 hours after treatment before washing the chemical into the soil. Raking the lawn prior to treatment also helps penetration when the product is washed in.

**CAUTION:** Keep children and pets off treated areas until this material is washed into the soil and grass is dry.

Keep out of reach of children and pets. Harmful if swallowed. Do not use on humans or animals. Avoid contact with eyes, skin and clothing. Avoid inhalation of spray mist. If gotten into eyes, flush profusely with water and contact doctor. For skin contact, wash with soap and warm water before eating or smoking. May be absorbed through the skin. Do not spray into areas occupied by unprotected persons or beneficial animals. If spilled, flush area with plenty of clear water. Do not store diluted material, make new dilution for each use. Avoid contamination of feed, food-stuffs and food containers. When this bottle is empty dispose of immediately.

This product is toxic to fish and wildlife. Birds feeding on treated areas may be killed. Keep out of lakes, streams, or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

**NOTE:** Follow directions carefully, as use, storage and handling of this material is beyond the control of the seller, the buyer assumes all risks if directions given herewith are not strictly adhered to.
