[Faint, illegible text, likely directions or safety information]

[Faint, illegible text at the bottom of the page, possibly a date or signature]

For control of Japanese Beetle Grubs, Ants, Lawn Moths (Sod Webworms), Oriental Beetle Larvae, White Grubs, Mole Crickets, Cutworms, Earwigs, Chiggers, Spiders, Ticks, Centipedes, Grasshoppers and Armyworms, evenly apply contents of this bag to 5,000 sq. ft. of lawn area (50' x 100') and thoroughly water area to wash insecticide into soil, however for surface insects, such as Ants, Earwigs, Lawn Moths, Cutworms, Chiggers, Spiders, Ticks, Centipedes and Grasshoppers, water area prior to application and do not water for 24 to 48 hours after application.

Keep out of reach of children and pets. Do not allow children and pets on treated area until insecticide is washed into the soil and grass is completely dried. Harmful if swallowed. Avoid inhalation of dust. Avoid contact with skin, eyes and clothing. In case of skin contact, wash with soap and warm water; for eyes, get medical attention. Wash thoroughly before eating or smoking. Dispose of this bag when empty, in a safe manner, either by burying with other waste or by burning. Do not inhale smoke or fumes. If either of these disposals are not permitted in your area, dispose of bag with other waste, in a container which can be tightly sealed. Do not contaminate feed or feedstuffs.

This product is toxic to fish and wildlife. Birds feeding on treated areas may be killed. Keep out of any body of water. Do not apply where runoff is likely to occur. Apply this product only as specified on this bag.

Follow directions carefully. As use, storage and handling of this material is beyond the control of the seller, the buyer assumes all risks if directions given herewith are not strictly adhered to.

Cyfluthrin	3 1/4
