Directions for Use

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Apply **IODY-SAN** with a cloth, mop or mechanical spray device. When applied with a mechanical spray device, surface must be sprayed until thoroughly wetted. Treated surfaces must remain wet for 10 minutes. Fresh solution should be prepared daily or when use solution becomes visibly dirty.

IODY-SAN is a proven "one-step" cleaner-disinfectant-sanitizer-deodorizer in the presence of moderate amounts of organic soil and 400 ppm hard water.

Disinfection — Hospitals, Veterinary Clinics, Other Health Care Institutions, Institutions, Industry, Schools, Farm Premises and Poultry Houses:

Apply 1/2 oz. per gallon **IODY-SAN** to walls, floors and other hard (inanimate) non-porous surfaces such as tables, chairs, countertops, tile, porcelain, sinks and bedframes. For heavily soiled areas, a preliminary cleaning is required.

For farms and poultry use, prior to disinfection, all poultry, other animals and their feeds must be removed from the premises. This includes emptying all troughs, racks and other feeding and watering appliances. Remove all litter and droppings from floors, walls and other surfaces occupied or traversed by poultry or other animals.

After disinfection, ventilate buildings, coops and other closed spaces. Do not house poultry, or other animals or employ equipment until treatment has been absorbed, set or dried.

Sanitizing — Meat and food processing equipment and utensils: Remove heavy soils by flushing, scraping, or mopping. Wash with 1 oz. per gallon of **IODY-SAN** (or other good cleaner). Rinse with clean water and sanitize surfaces with 1 oz. **IODY-SAN** per 5 gallons of water (25 ppm titratable iodine). Surface should remain in contact with solution for 1-2 minutes. Drain well and air dry. No potable water rinse is required.

This product is warranted to be of uniform quality within manufacturing tolerances. Since no control is exercised over its use, no warranty, expressed or implied, is made as to the effects of such use. The obligation hereunder shall be limited to refunding the purchase price of that portion of the material proven to be defective.
